

Well, another year has come and gone. I can hardly believe that we are not going to be coming back next year. The first grade seems like a long time ago, yet it seems like yesterday. We have had many good times over the years. I hope we'll have a chance to have more in the years to come. I'm sorry your family is having to move, but I'm glad you got to finish with us. Best of luck next year at Carolina and in the years to come. Come up the road to the hills and see me sometime next year. Best of luck always. Johnny

 Your Senior year

 Have a great summer.  
 Patricia

Dear Spears  
 Mrs. Davidson  
 Aren't I ever  
 to put an entry into such a  
 esteem annual. No, really -  
 you and all the other Dillonites - I must  
 say that the sunny South has the North  
 beat by an uncomparable dead. Be good in  
 everything you do and stay the guy that you  
 are in. Remember, Chow word practices and singing  
 in church. Too bad. Be good to Janis -  
 to continue your contribution to it. Remember church goes Reese here -  
 She's a crazy young-in! not atheist though some people might  
 No - I'm really believe so. Remember all the friends you  
 years at D.H.S. & Be sweet &  
 made. This summer. See ya around

I wish you the best of luck always 'cause Eddie you're a Tough Dude styling a real mean hair cut. Be careful in all you do and do it wisely.

*When the Going Gets Tough,*

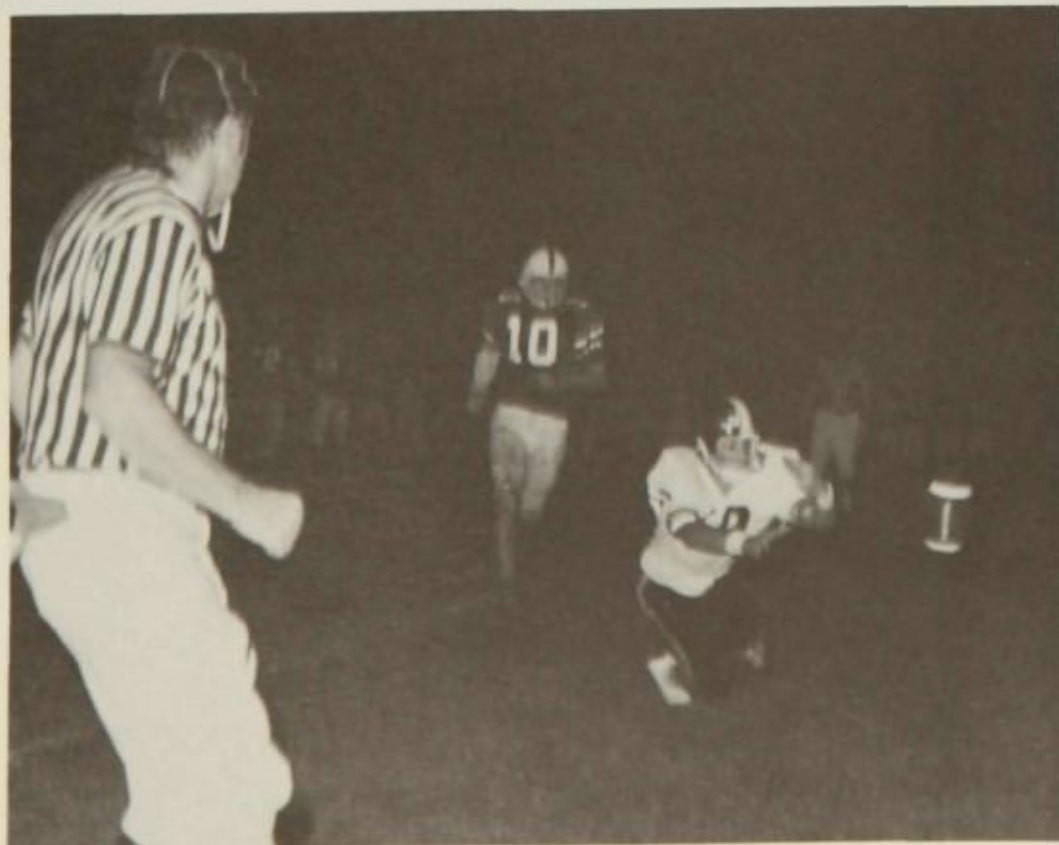

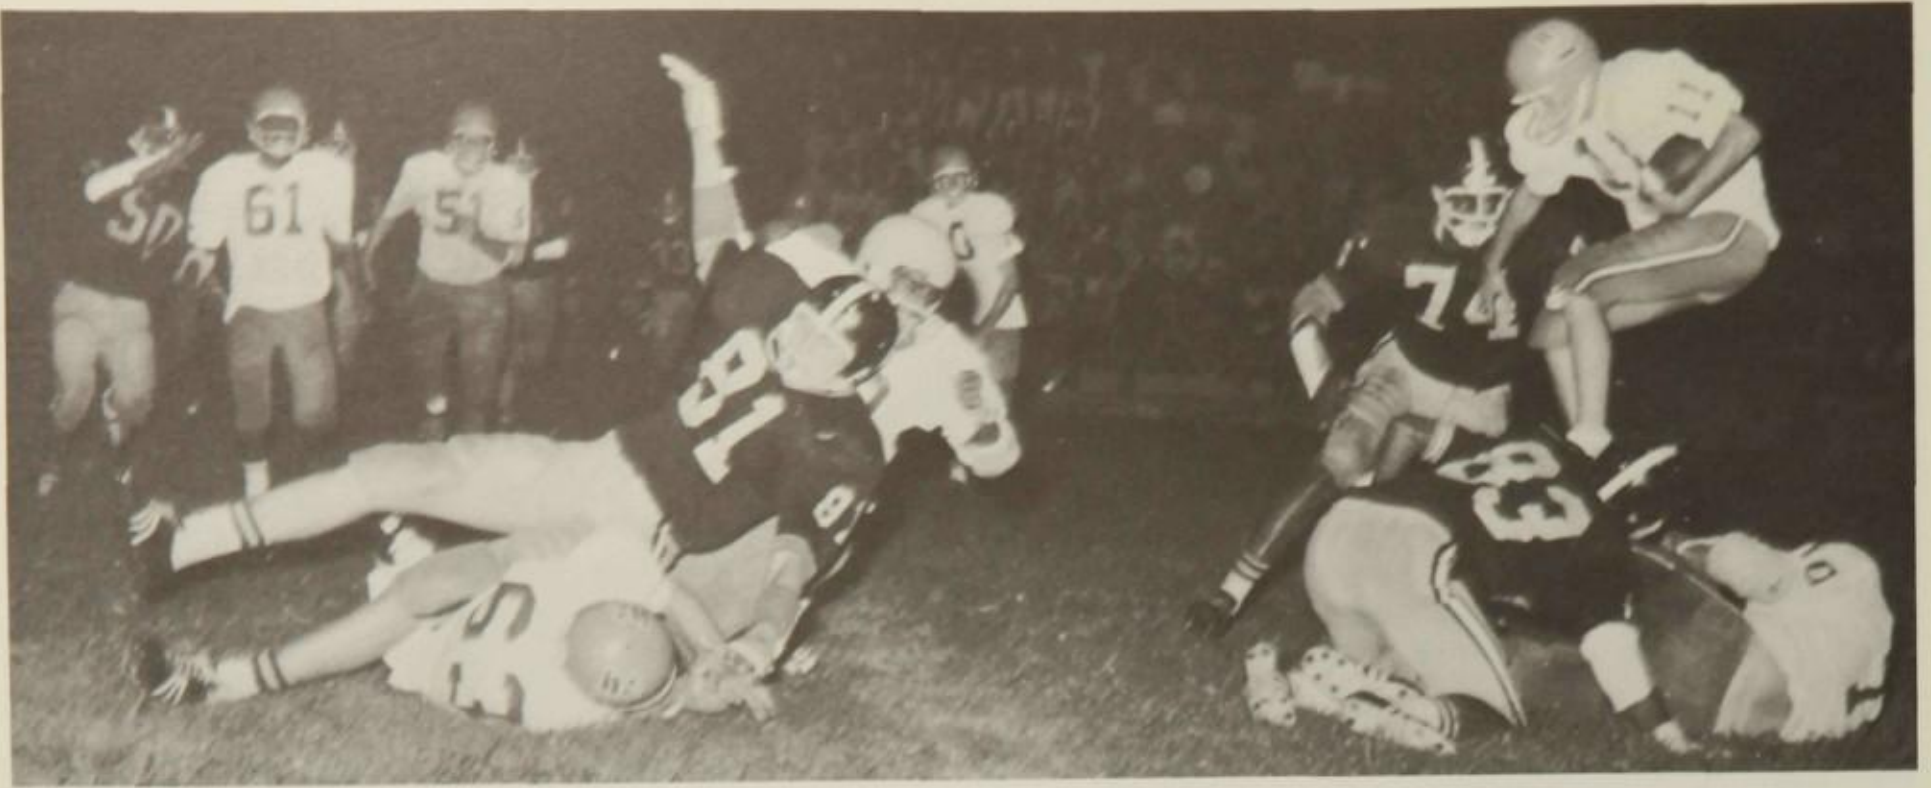

## *the Tough Gets Going*

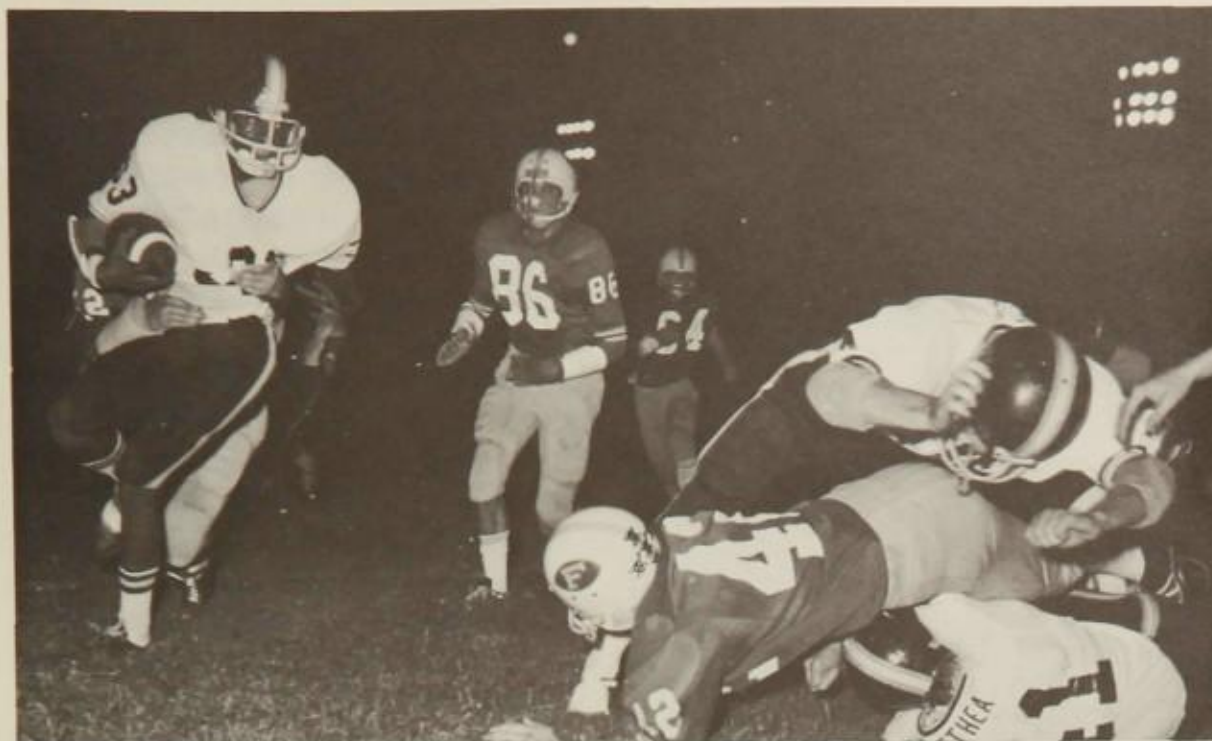

## *In early August,*

Paul Chapman got his third season under way as head coach of the Dillon Wildcats. Coach Chapman and staff-Faulkenberry, Daniels, Reeves, and Gunter-were determined to make the '71-72 Wildcats a winning team that would exhibit pride in its school as well as itself. The coaches' intent was to instill the boys with a desire for the game and get the players' best efforts. With this in mind, the first week of training got under way with vigorous exercises and drills. The following week, the Wildcats journeyed to St. Andrews College in Laurinburg, N. C. for football camp. There the boys went through a strenuous six days of mental and physical practice. The team returned in good shape and had a much better understanding of football. A week before the first game, the Cats were invited to play in the annual football jamboree in Hartsville. The Dillon team took on the auctioneers of Mullins for one quarter of play. Both teams were held scoreless, and the game ended as a tie.

Lake View was the scene of the Wildcats first night out, and they showed the fans what they could do. Mickey Meekins, playing his first game as starting quarterback, completed ten passes, three of which were touchdowns. On the receiving end of two of Meekins' TD throws was the dazzling half-back Earl Goings. Fullback Willie

Crawford snagged the other scoring pass and Buddy Bethea's excellent running attack wrapped it up with a TD in the fourth quarter. The defense led by big Bill Lighty allowed only one Gator score, and the Wildcats came out on top 27 to 6.

For their first conference game, the Wildcats were bused to Dalzel in Sumter County to play Hillcrest. Earl Goings and Willie Crawford each scored a long pass thrown by Meekins. Defensively, George Russ intercepted a Hillcrest pass and went in for the tally, while linebacker Tommy Wallace led the game in tackles.

Dillon's first home game came against the much favored McClenaghan Yellow Jackets. Meekins' arm once again proved to be the backbone of the offense with the completion of a long bomb to Sophomore Bubba Strickland who went in for the score. Earl Goings rushed for over two hundred yards and was hit with a Meekins' TD throw. Robert Locklear's defense held the strong offense of McClenaghan to limited yardage, and the entire team played one of its best games of the season. The contest ended with the Wildcats outplaying the Jackets 14 to 0.

Dillon's next game was with Coach Chapman's old Alma Mater, Hartsville. The Wildcats were still riding high over their past victories, and their overconfidence cost them their first loss of the season. Earl Goings' running was just as terrific as always, but the rest of the offense just could not seem to get rolling. The Cats' defense played a good ball game with the exception of a few plays, but the Red Foxes took a big advantage of these mistakes. The final whistle sounded with Dillon getting dropped 10 to 0 by the Red Foxes of Hartsville.

Rained out the following Friday, a determined Dillon team traveled to Conway on Saturday night. The faithful fans, still enthused about the team, filled up the stands and gave the Wildcats the inspiration they needed. The game proved to be the most exciting with Goings leading the explosive offense with the only Dillon score. The entire Wildcat defense played a superb game and stopped the Tigers many

times right on the goal line. Steve Cox was the key man in stopping Conway inside the two-yard line twice. The game shattered Conway's winning streak and put Dillon back in the standings. The 6 to 6 tie represented one of the most hard-fought ballgames in the entire conference.

Unfortunately, the following week the Cats were once again put in the loser's column when they were beaten by the Knights of West Florence with the score 28 to 16. Bad breaks hampered the boys throughout the game, but two quick scores by the Knights were what really hurt. Goings' excellent running seemed fruitless as it gained him only one touchdown. Meekins went over from short yardage to provide the other score. Both conversions were passed from Meekins.

The downed but by no means out Dillon team made a tremendous comeback with a commanding victory over the Camden Bulldogs. Goings astonished the opponent's defense and ran for three touchdowns. Buddy Bethea had the longest TD run of the year, and quarterback Meekins slipped into the end zone for the last Wildcat score. The outstanding defense led by Tommy Wallace and Mingo Grant never once let the Bulldogs even near the goal line. The 34 to 0 victory was just what Dillon needed to get out of the losing slump, which had been plaguing them.

The following week, the Wildcats were once again forced to bite the dust, however. Mullins worked hard to gain a 12 to 0 conference win in an important game.

It was after this game that the players decided they were tired of losing. The team was more determined than ever to beat the arch-rival Latta, who was next on the Dillon Schedule. Under the leadership of Coach Chapman, the Cats once again made a big comeback and defeated the Green Vikings 27 to 0. The two ends Wilson and Pernell, who led the team in receptions, each caught scoring passes from Meekins. Crawford's fine running earned another in the third quarter. Goings scored the final TD and crossed the 1000 yard mark in rushing.

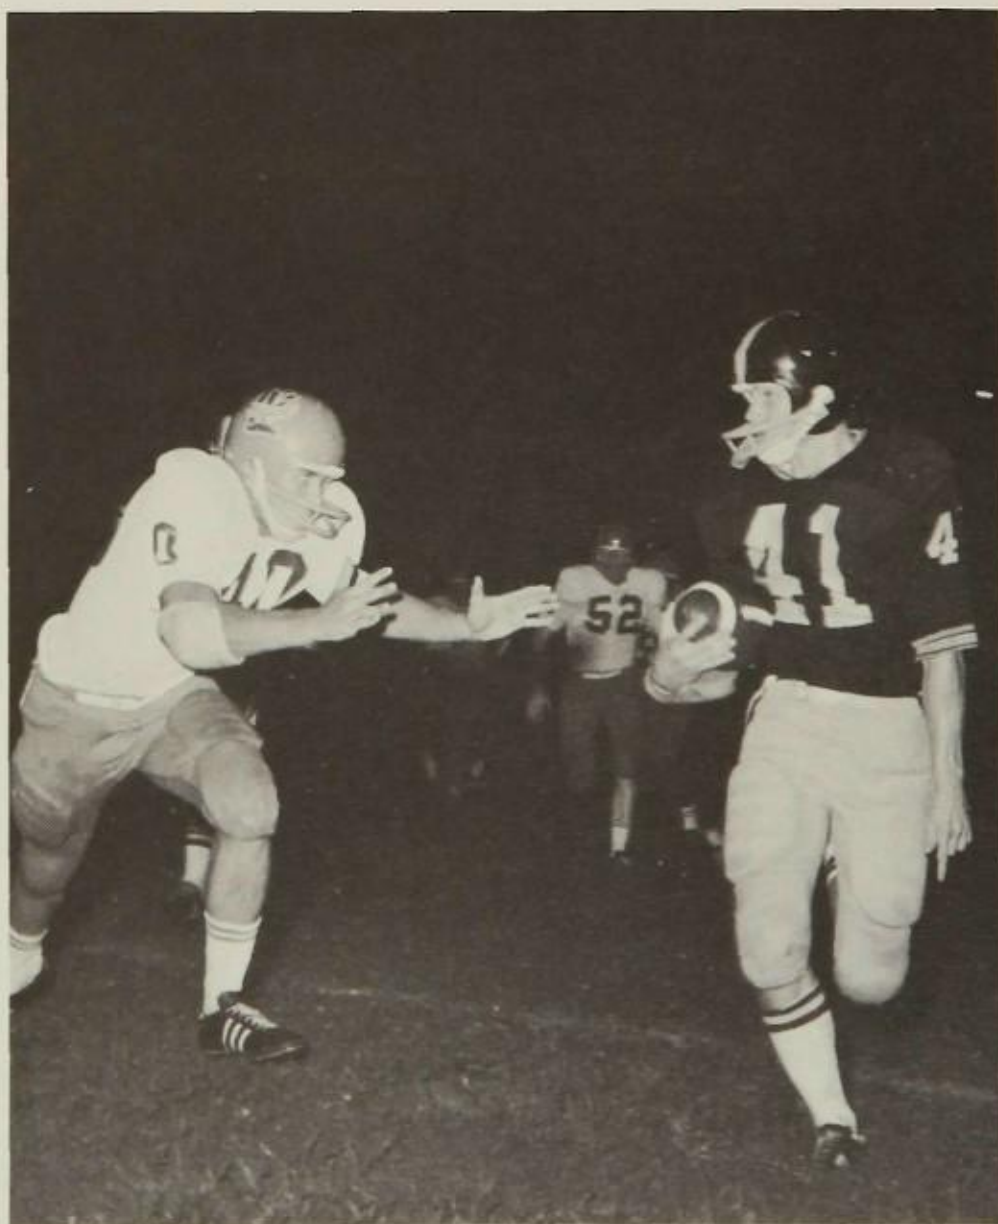

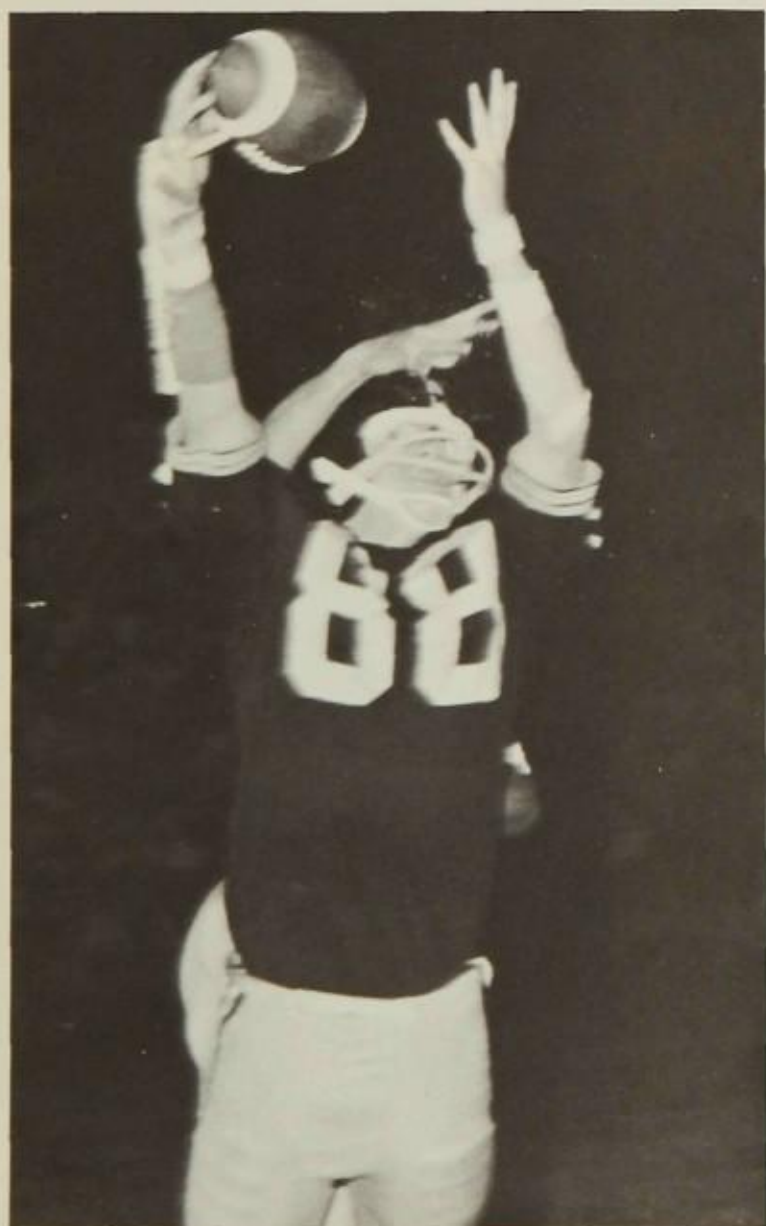

The Sumter game was next, and it proved to be as hard-fought as the Conway clash. Buddy Bethea led the offense with an early score and the defense stopped the Gamecocks in the last ten minutes, and Bethea did it again with a long run all the way to the goal line. It was a 12 to 7 victory, and the Wildcats received a well-deserved steak afterwards.

The final game of the year was with Cheraw, which was the Homecoming game. Goings was at peak performance for his last game, and his two touchdowns insured a Wildcat victory.

Jerry Caulder, Robert Locklear, Earl Goings, James Vanderhall, and Bill Lighty were all chosen to the all-conference team. Also to be commended are Vick Traywick, Tommy Arnette, and Larry Pittman. Traywick did a fine job of kicking extra points and kickoffs, while Arnette handled the punting duties in addition to playing end. Pittman, a defensive lineman, seemed to always make the big play tackling the opposing quarterback.

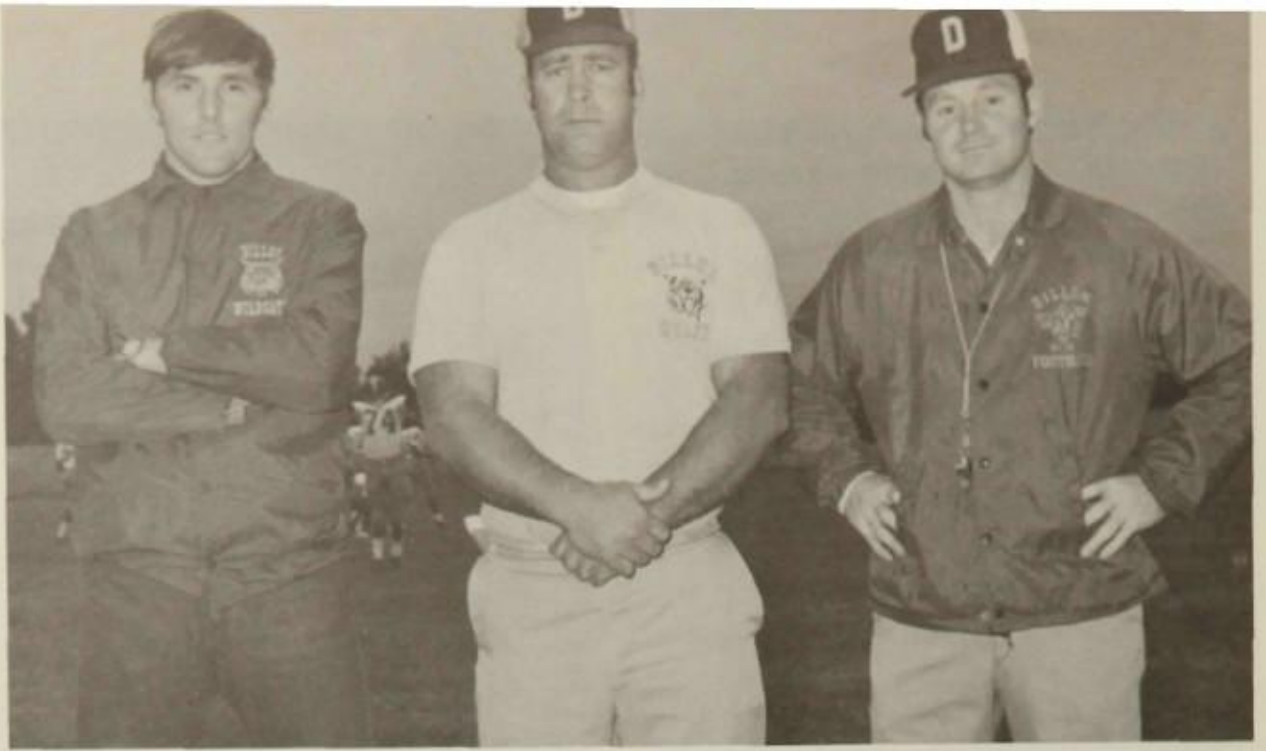

# The Wild Kittens

carved out their third consecutive winning season under the guidance of Coach Marion Lee. With the help of his assistants, Ralph Myers and Kenny Rogers, Coach Lee molded the young and inexperienced boys into a successful football squad. The team posted a 6-1-2 slate and came within a half a game of winning their conference.

Co-captain Larry Dunham engineered the team with his excellent quarterbacking and led the team in scoring while Roy Rivers and Co-captain Duncan Townsend kept the linemen fired up with their winning attitude.

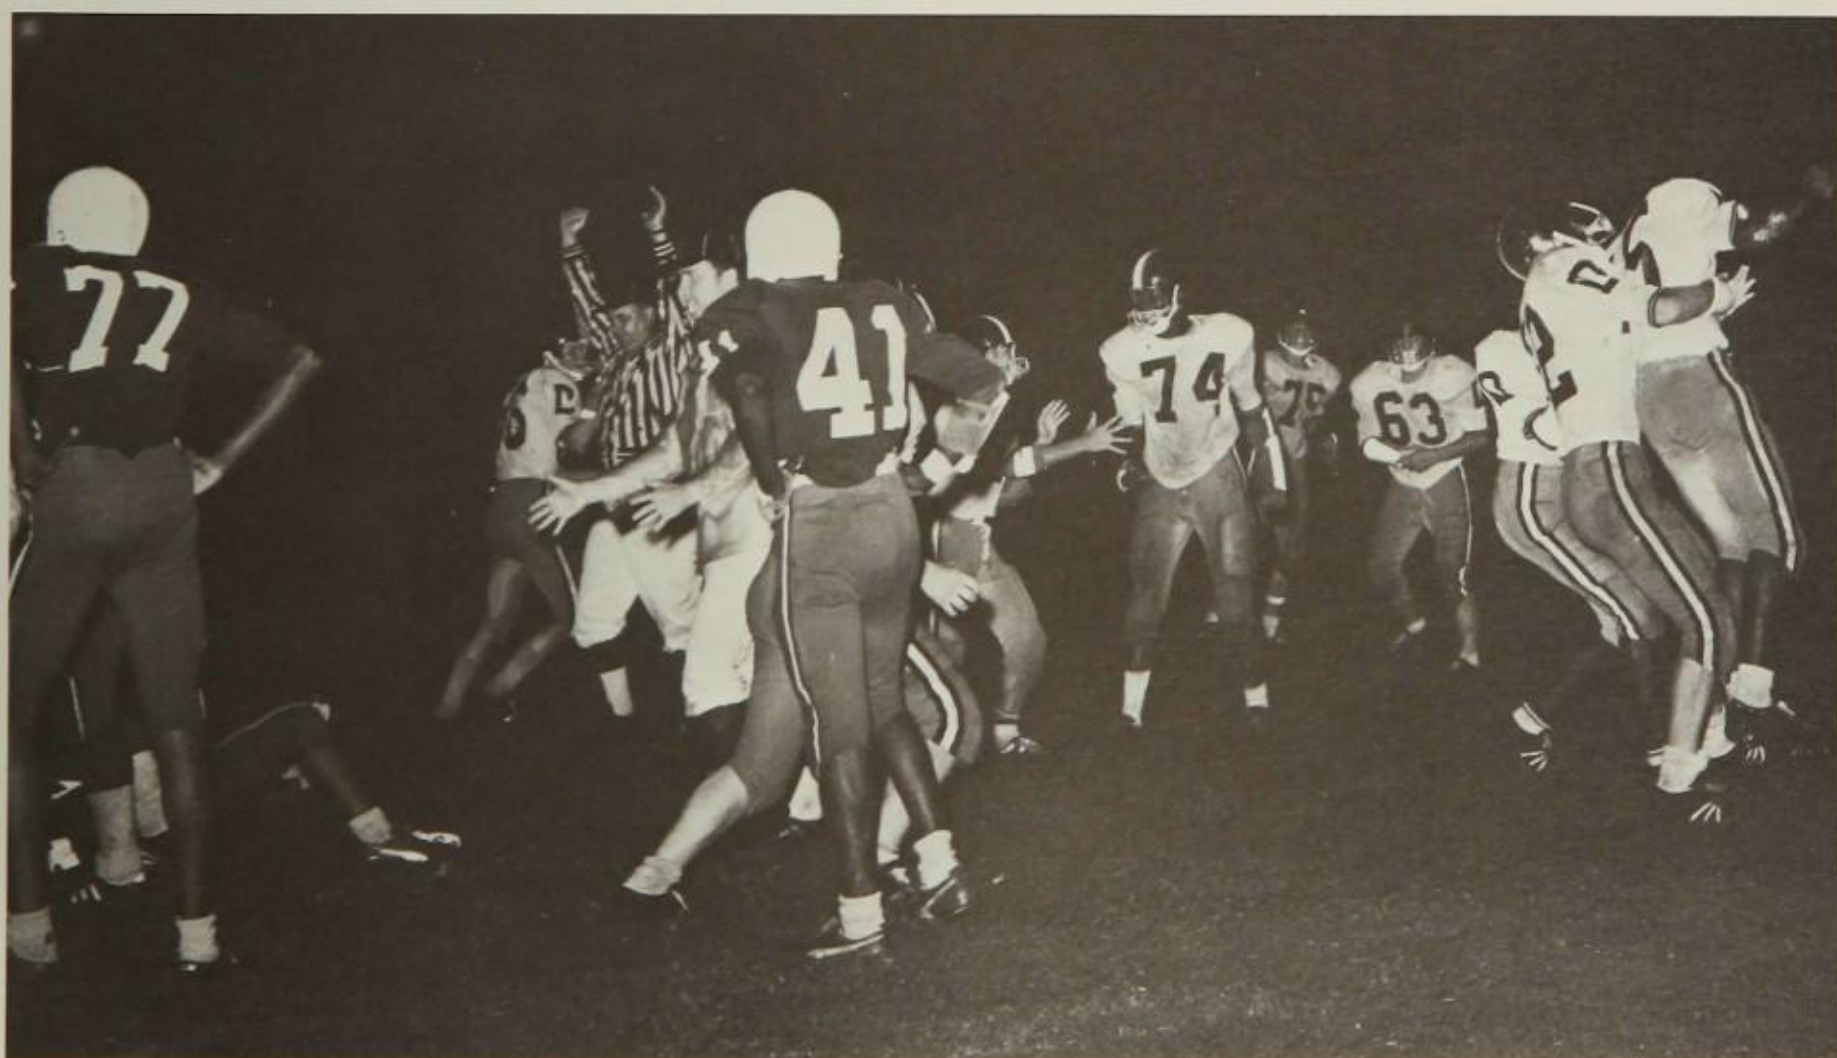

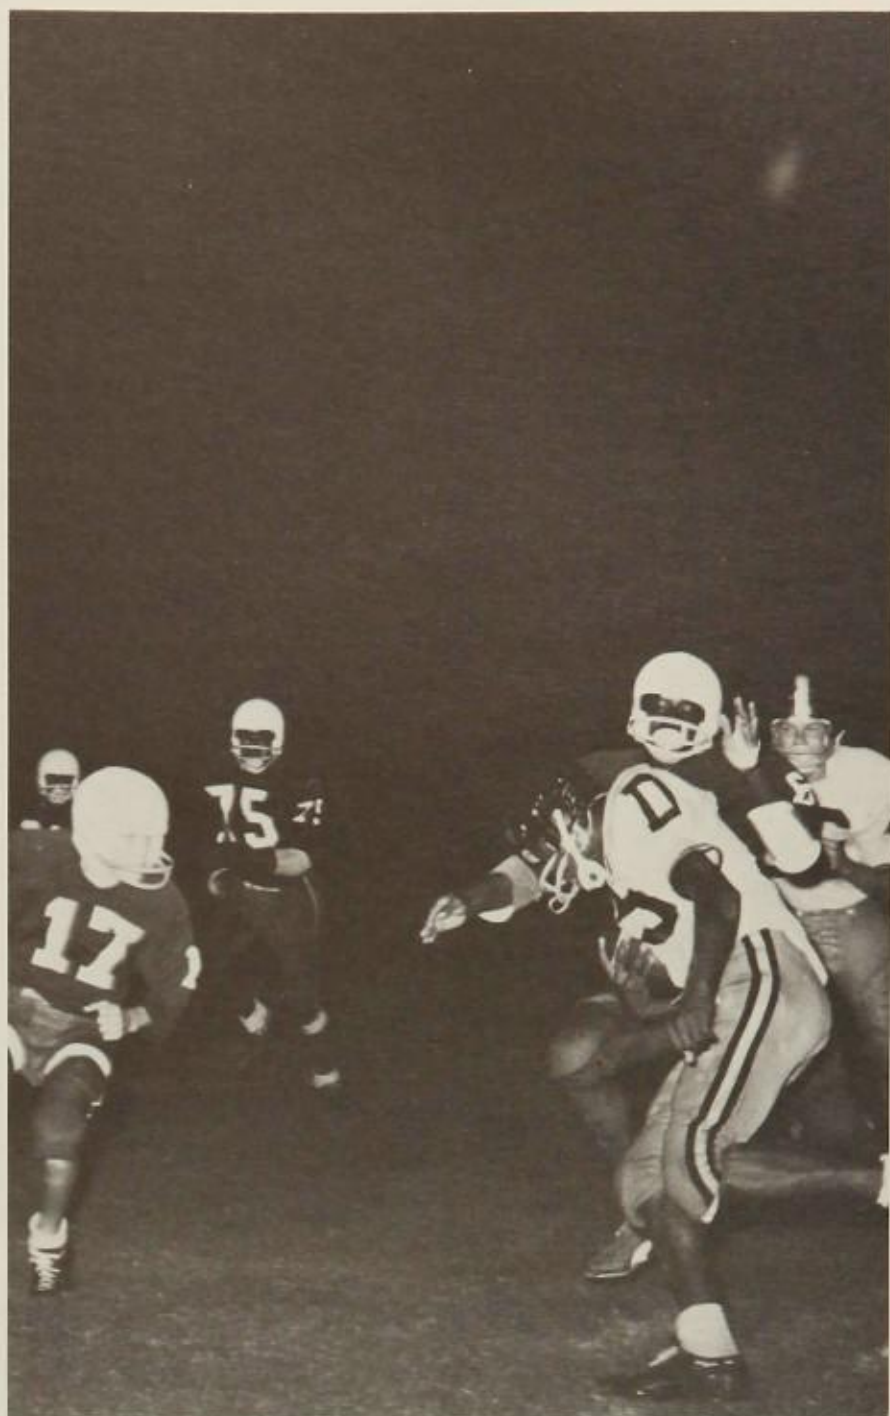

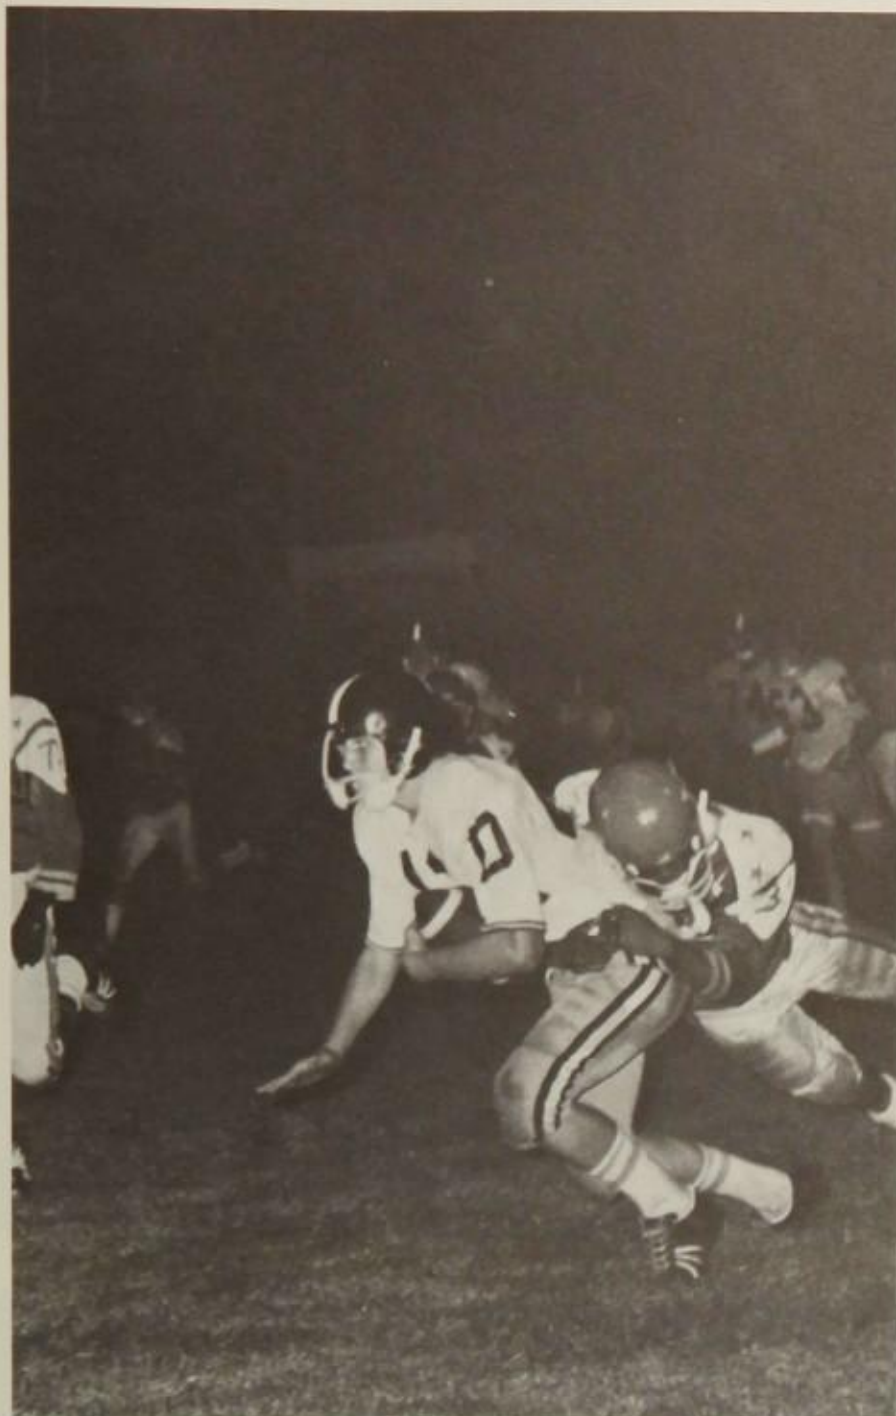

Coaches: Rogers, Lee, Myers.

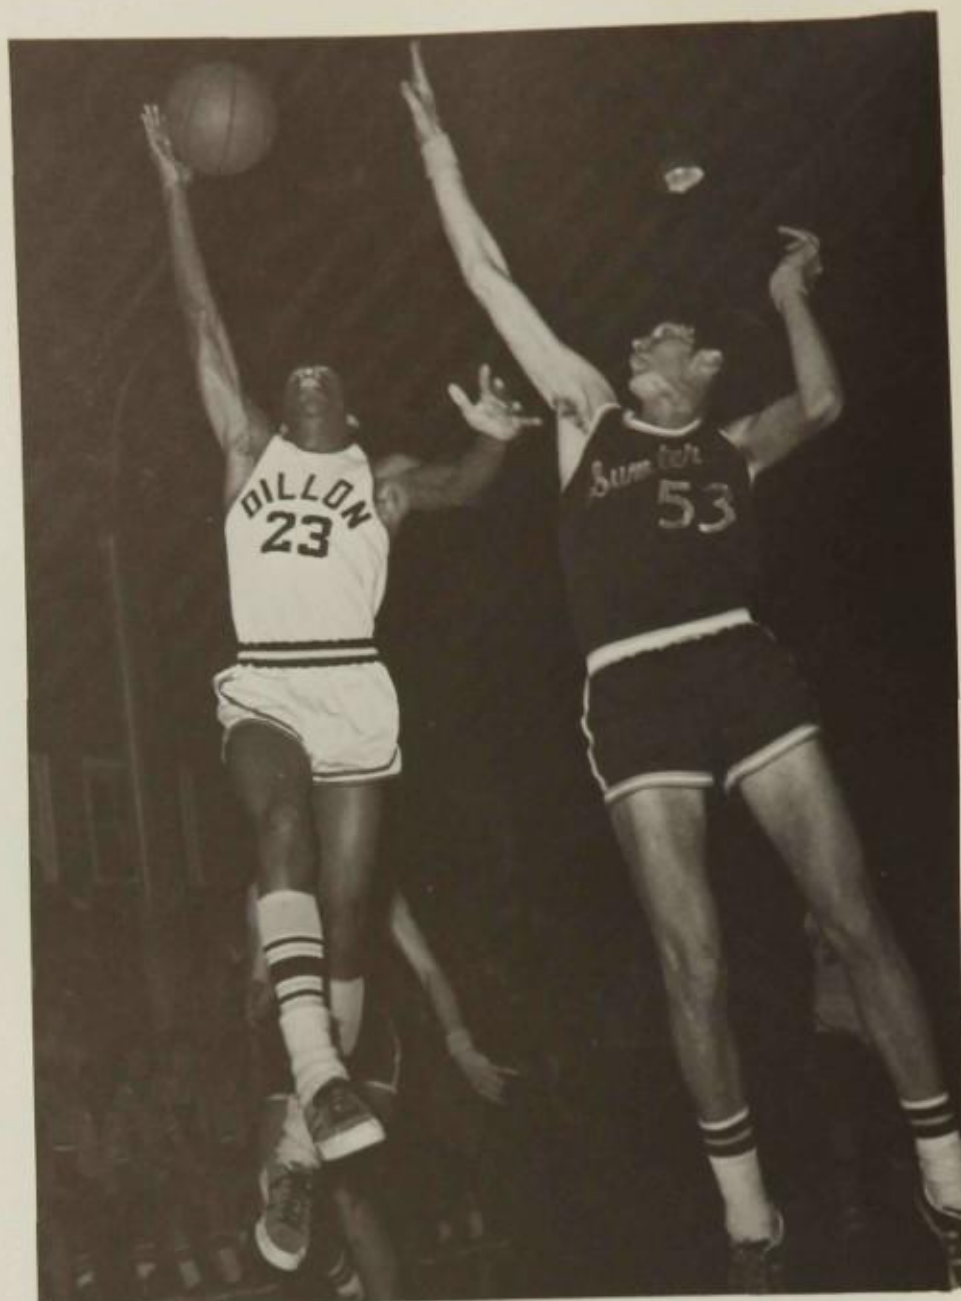

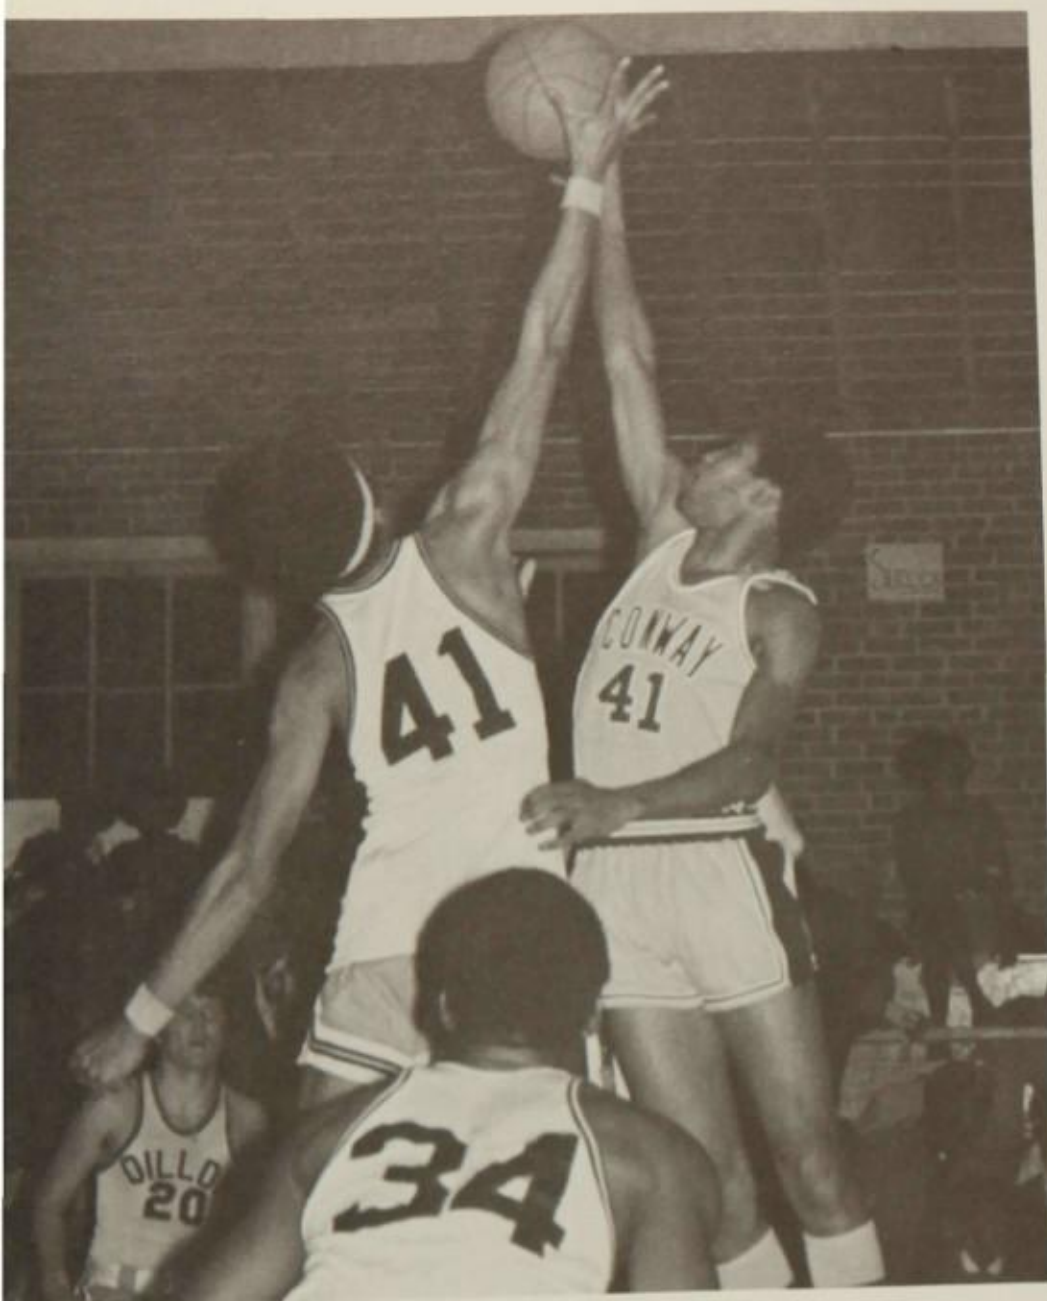

Kneeling, Left to right: Grimsley, Daniels, Rozier, Turner, Jackson, Rowell, Rivers, Cox, Manager Little Cox. Second Row: Alford, Carr, McLellan, Davis, Hulon, S. Lee, Wilson, Evans. Standing: R. Lee, Crawford, Townsend, Berry, Leach, Gurley, Dunham, Holiway.

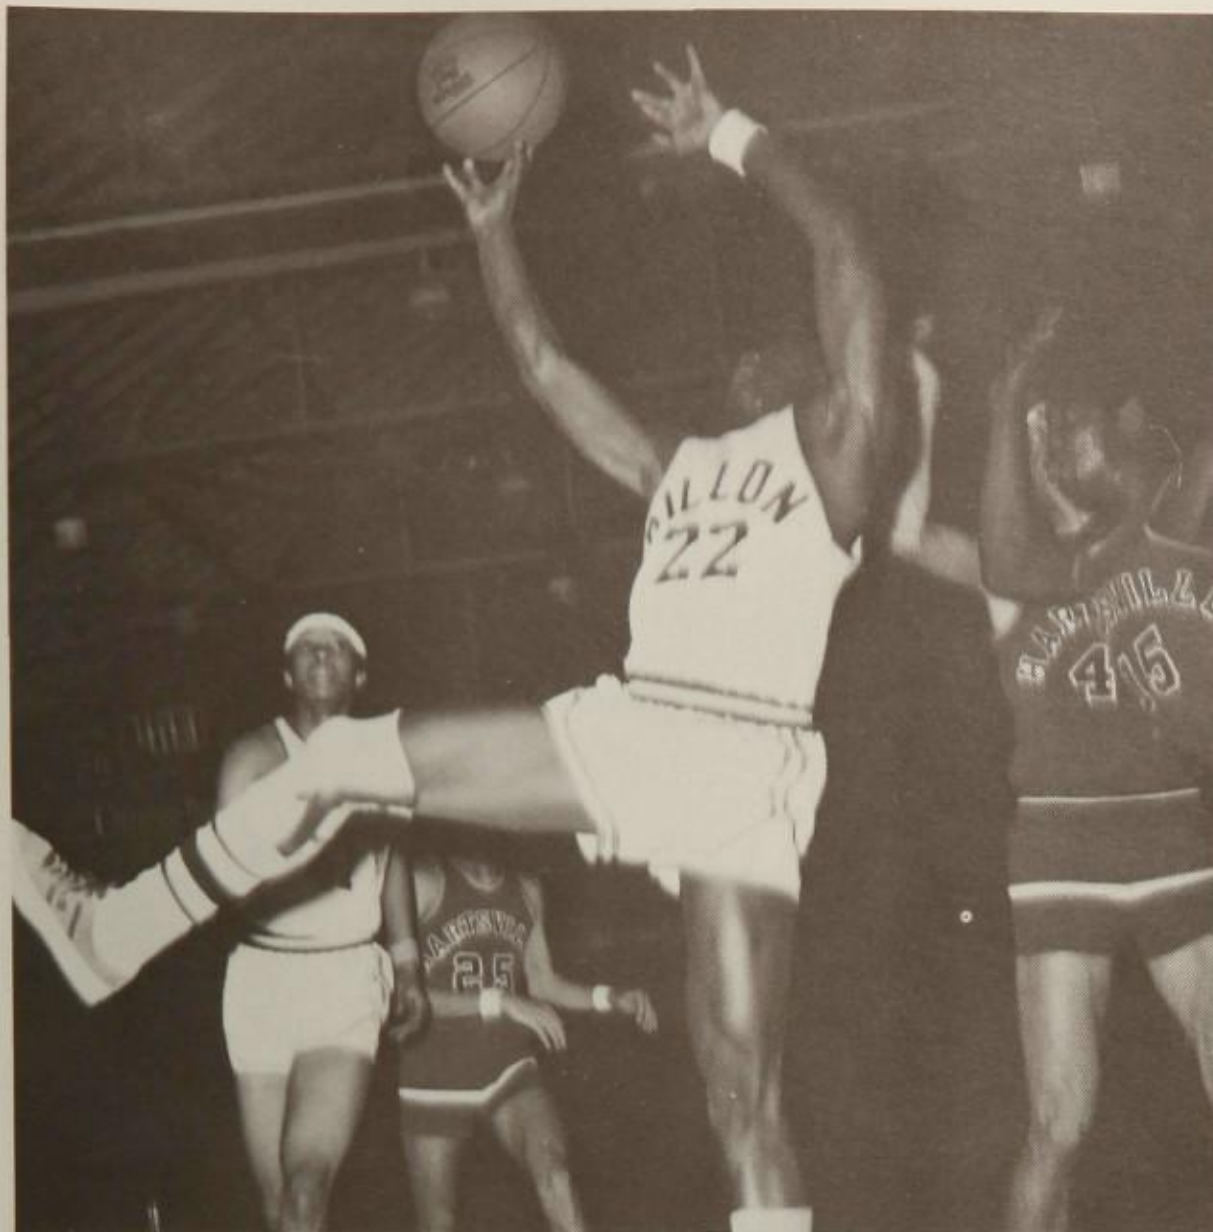

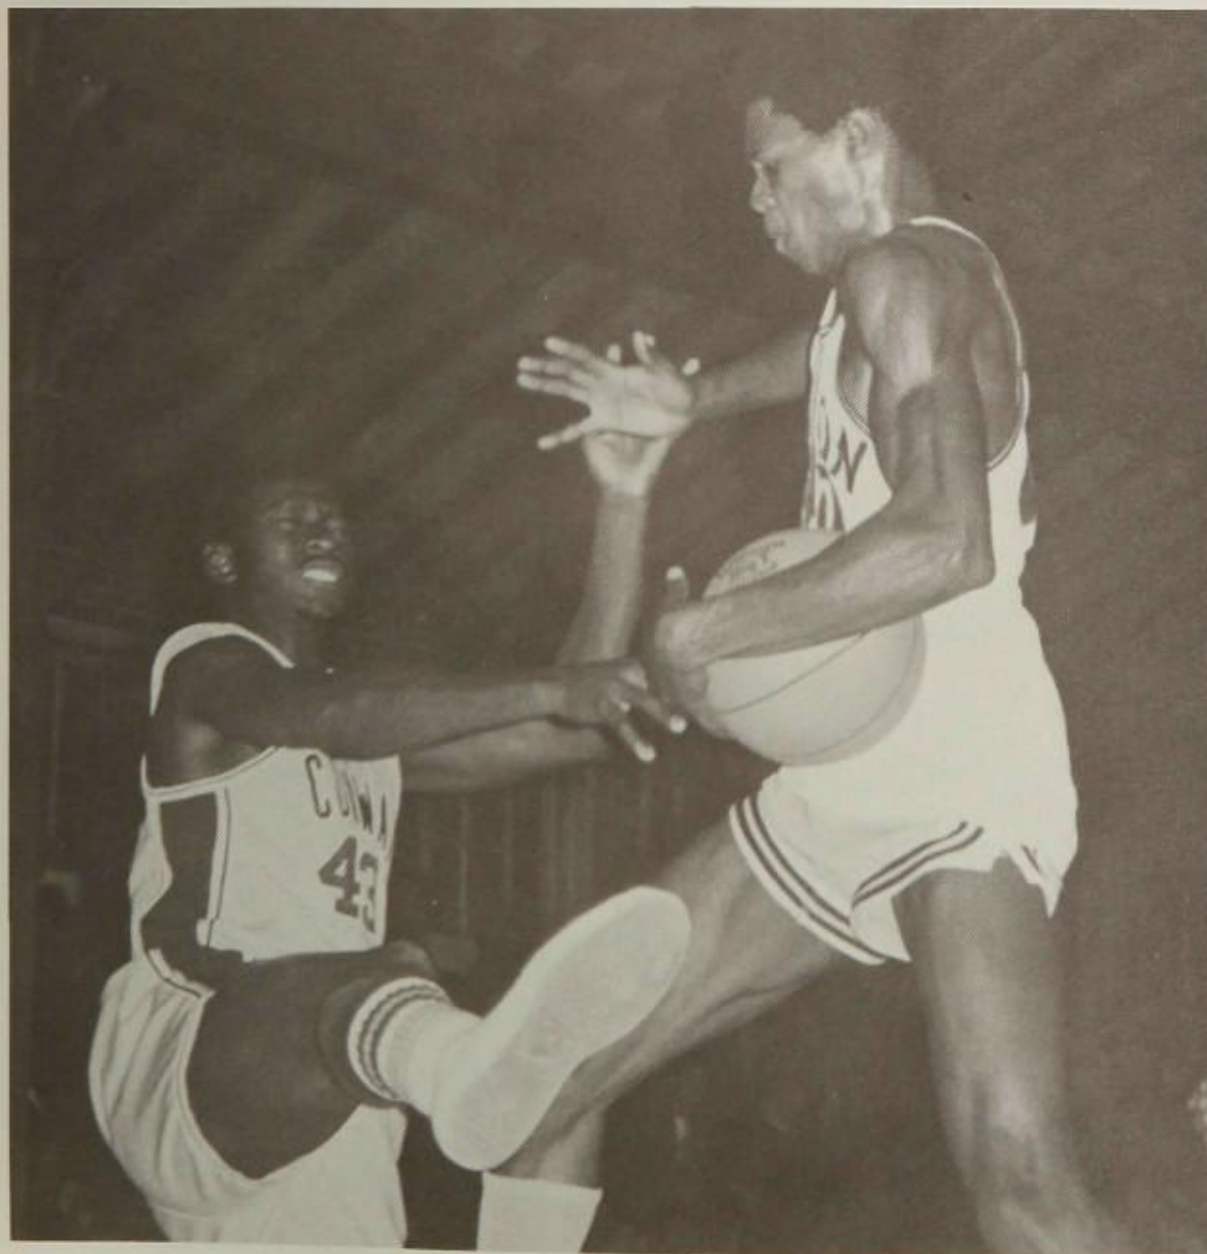

### Smart offense . . .

and hustling defense were two of the reasons for the best boys' varsity record in two years.

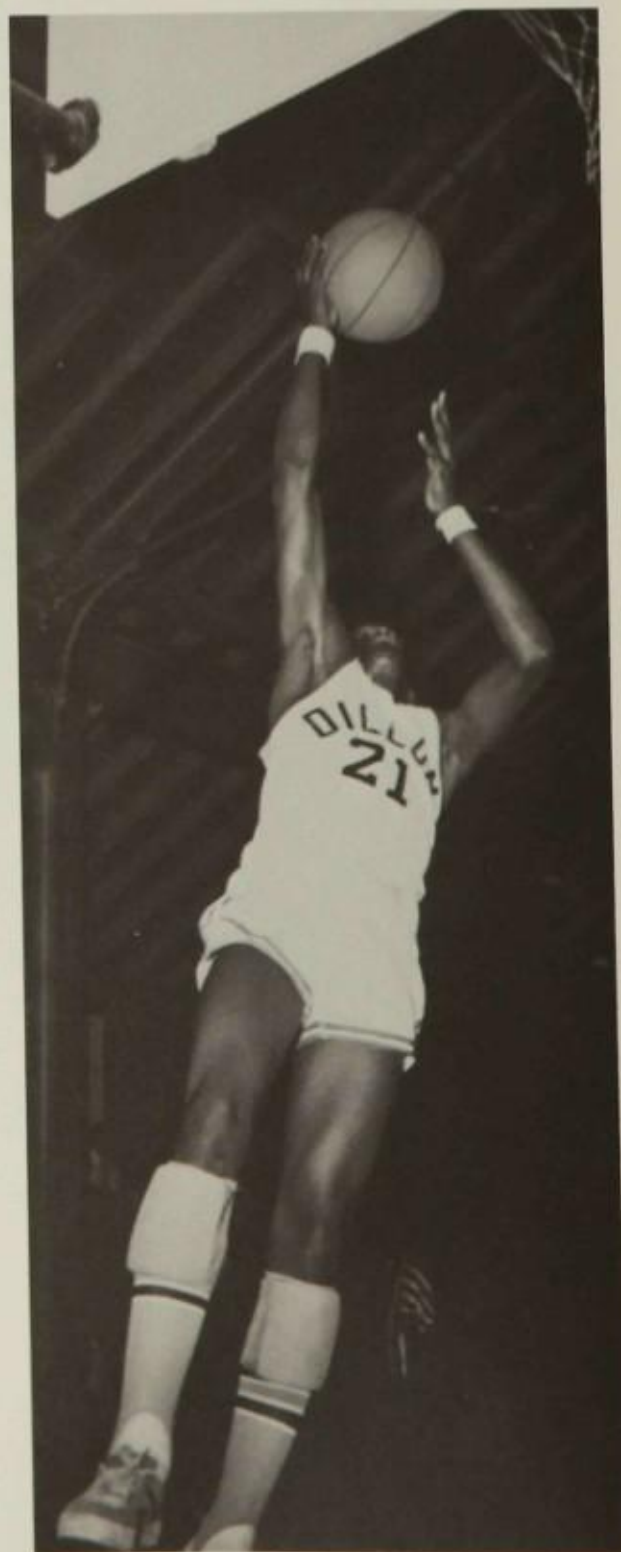

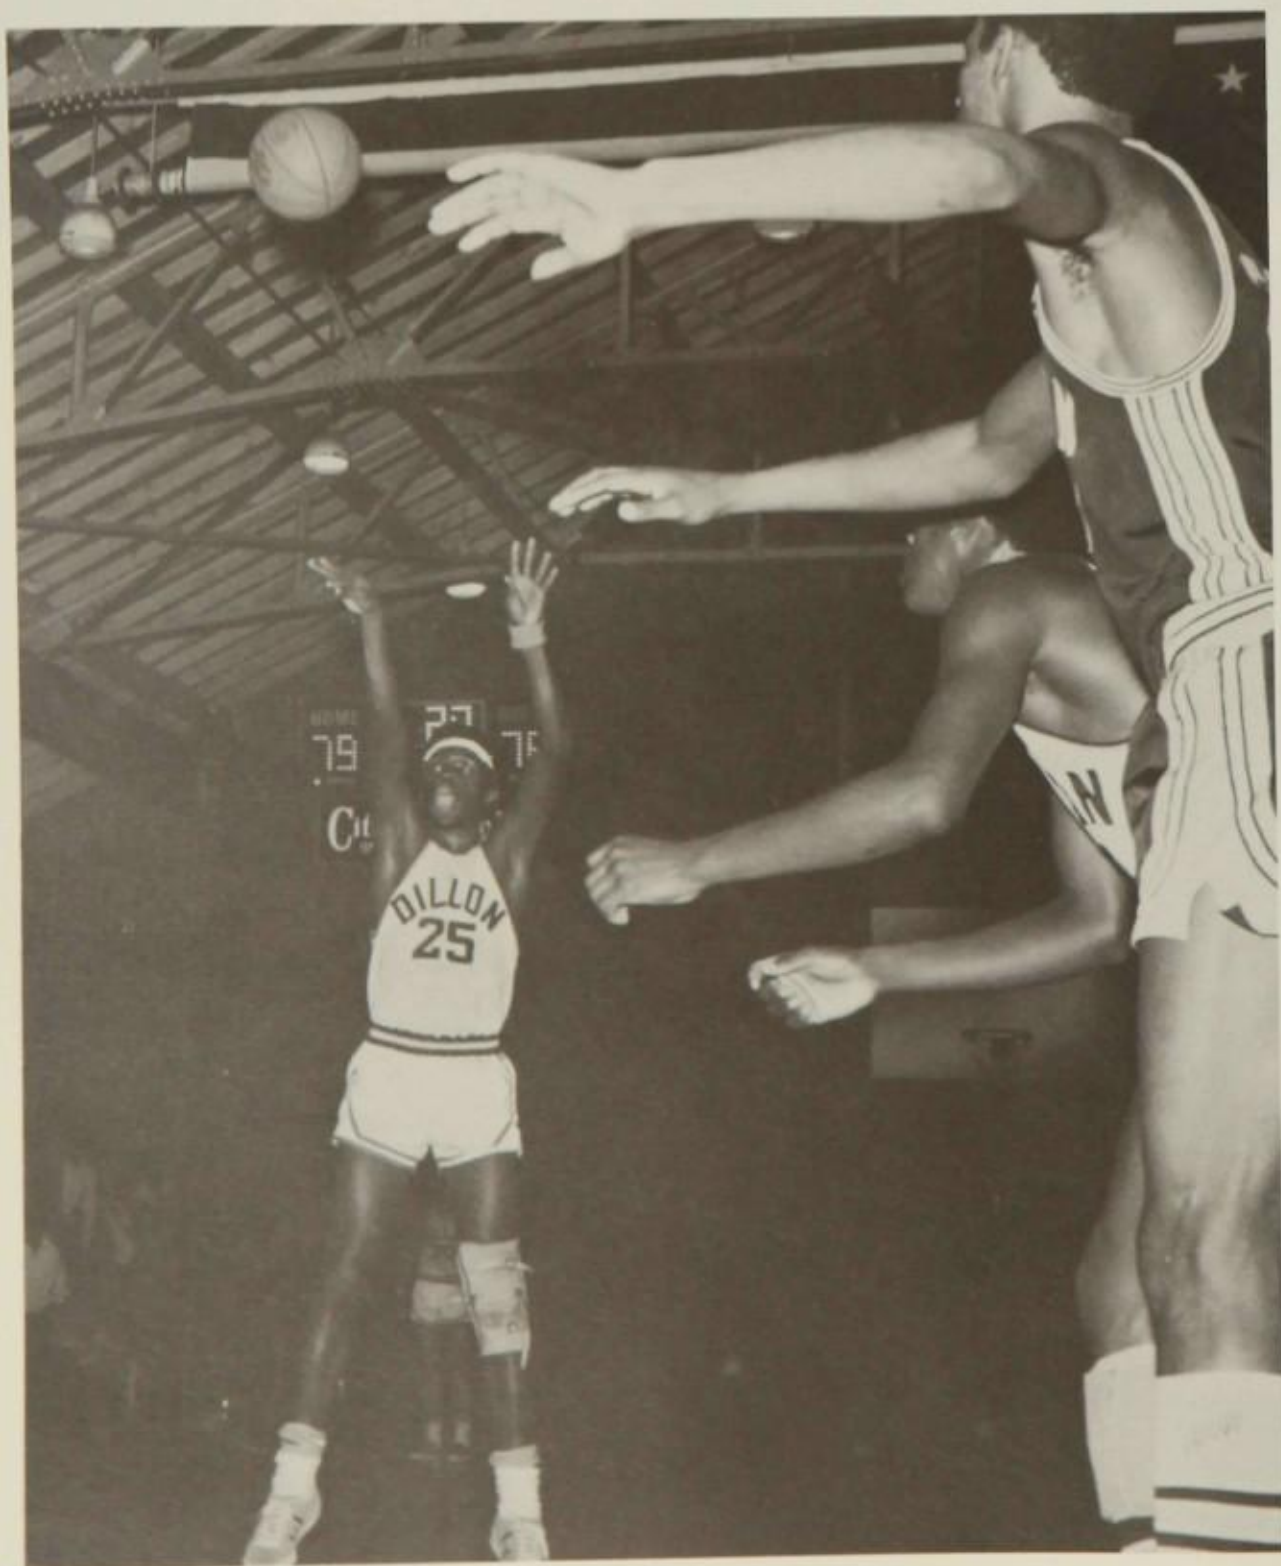

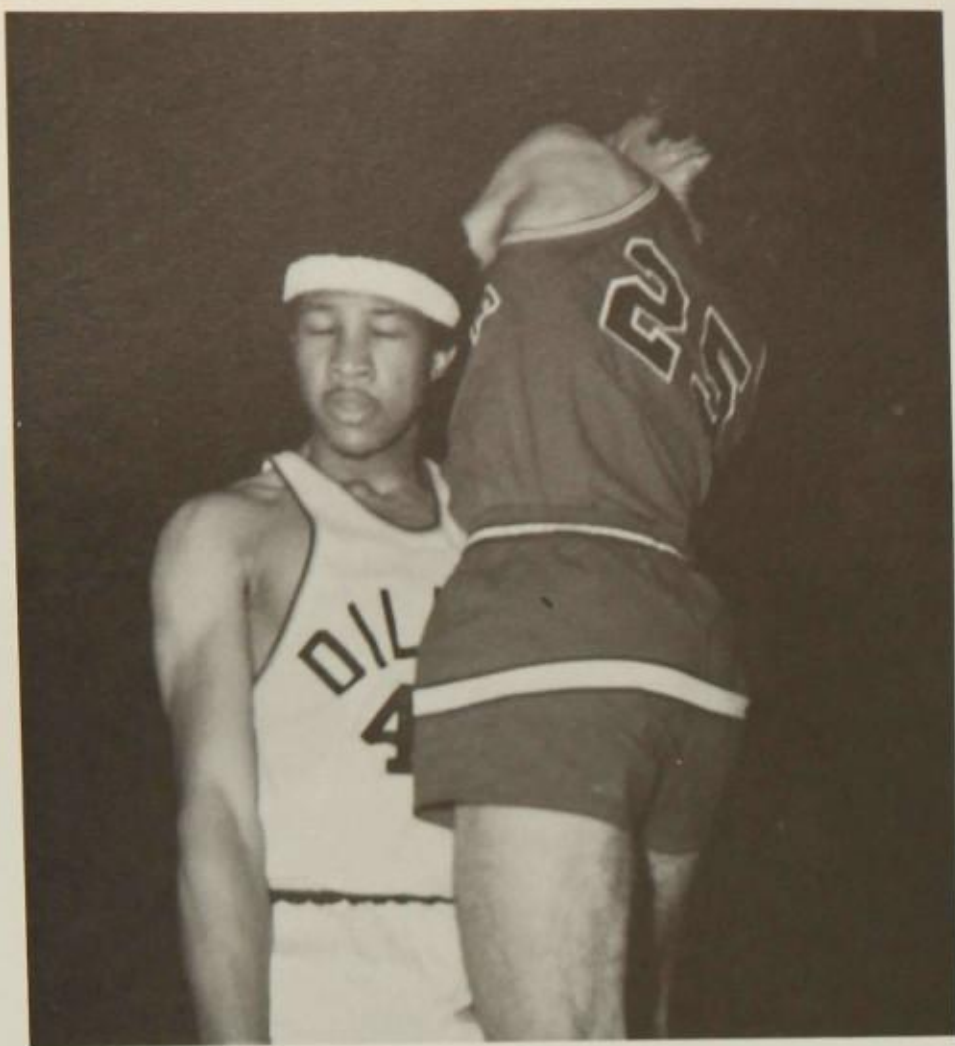

Even though Coach Gerald Reeves' team was composed of only ten players, it had the ten most dedicated ball players DHS could offer. With Juniors coming off a championship JV team and the experience of the Seniors, Coach Reeves combined them into two teams of equal strength. This "two team method" saved many a game throughout the season. While the "big team," composed of Charles Bethea, James Govan, Joe McEachern, Aubrey Phipps, and Albert Smith, was taller, the "little" team, made up of Russell Carmichael, Stacey Smith, Vernoy McTeer, Ray Bethea, and Oliver Evans, was faster.

The Dillon Cagers had a great beginning, losing only one game before the Christmas holidays. However, upon returning, the Cats couldn't seem to get it together as they lost two in a row. But, this didn't stop them as they came back to win many games, only losing one at home.

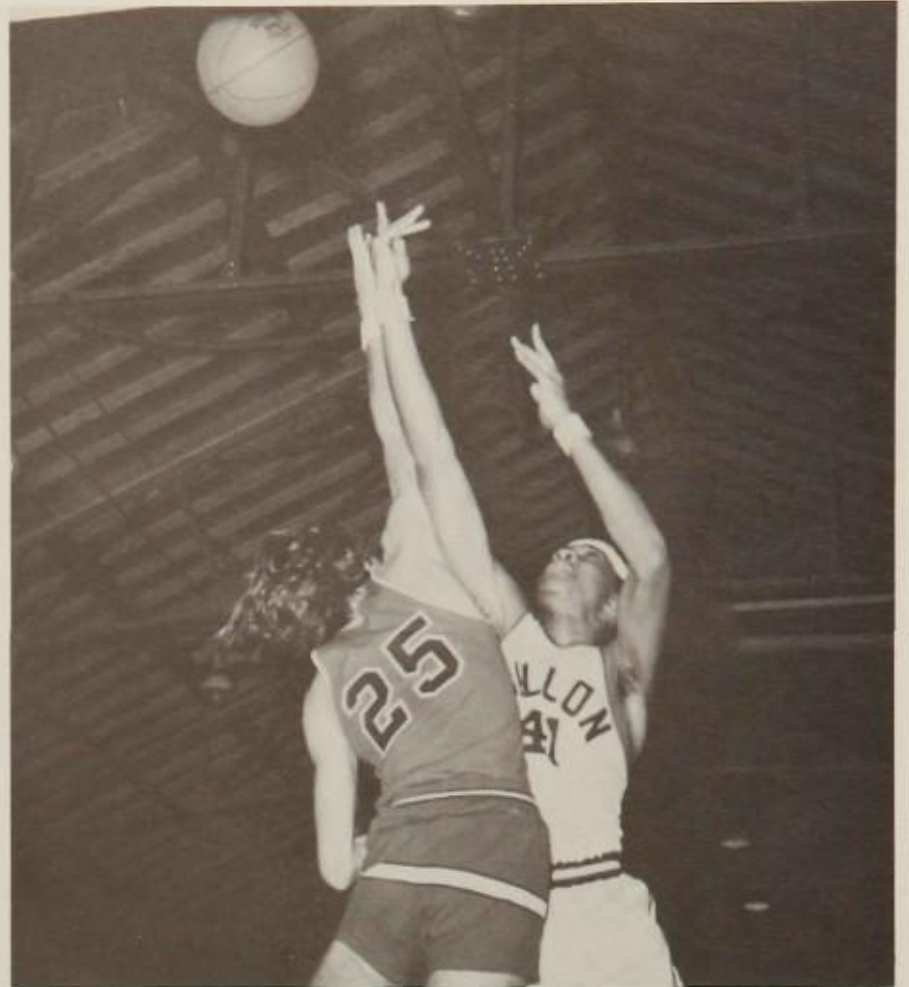

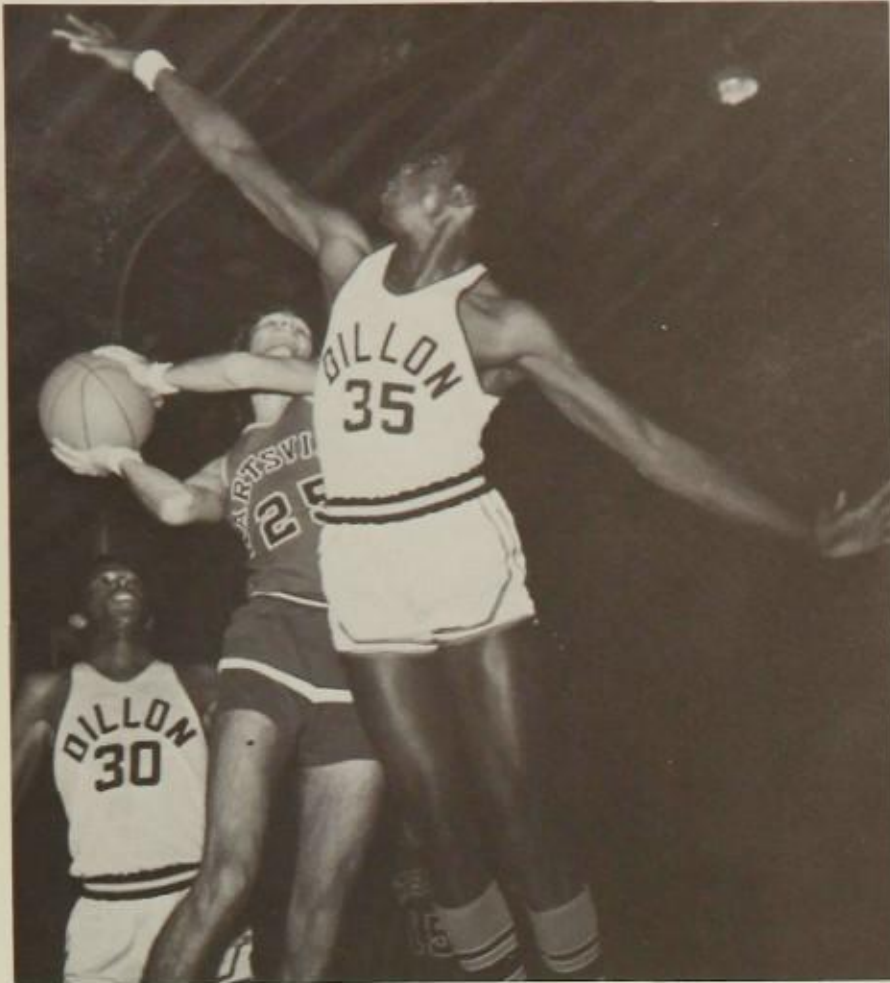

At the close of the season, Charles Bethea was named to the All-Conference Team.

## Readjustment . . .

was taken in stride by the 1971-72 Galcats as girls' varsity began five-man, full-court basketball. New strategies and guarding techniques were developed and taught by Coach Nancy Morgan.

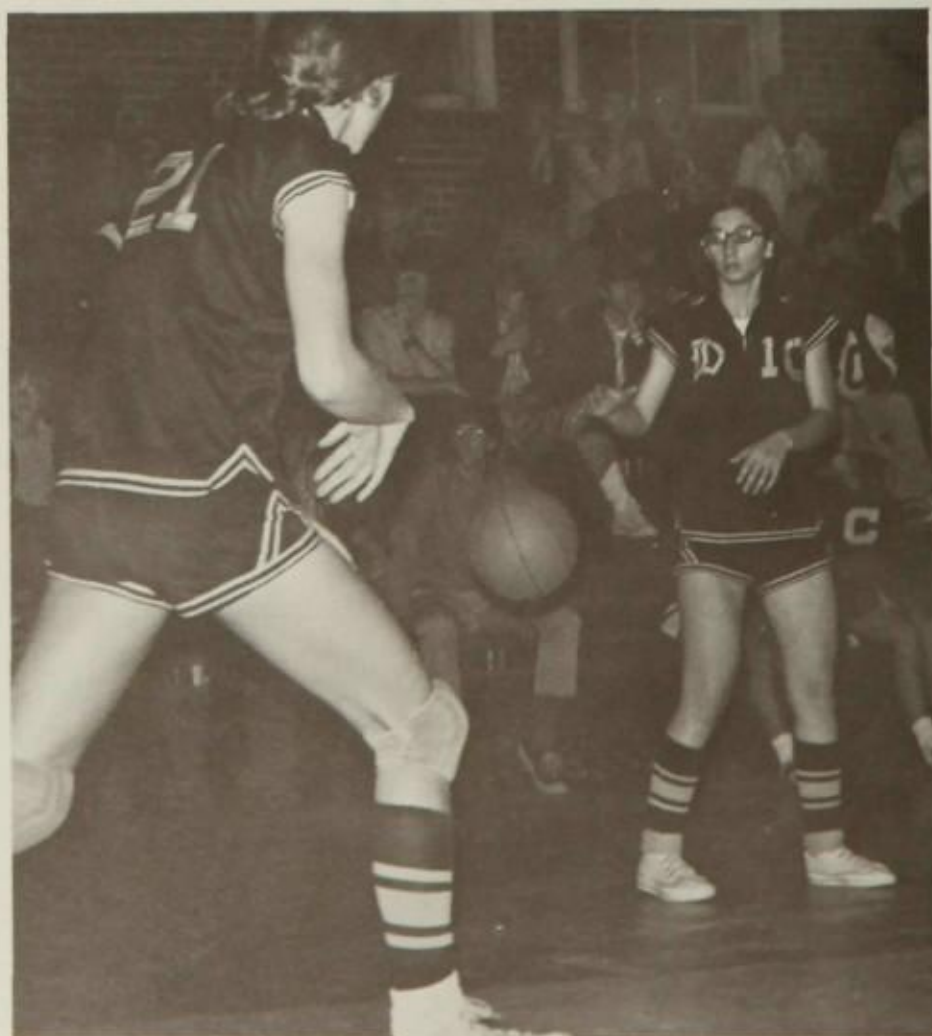

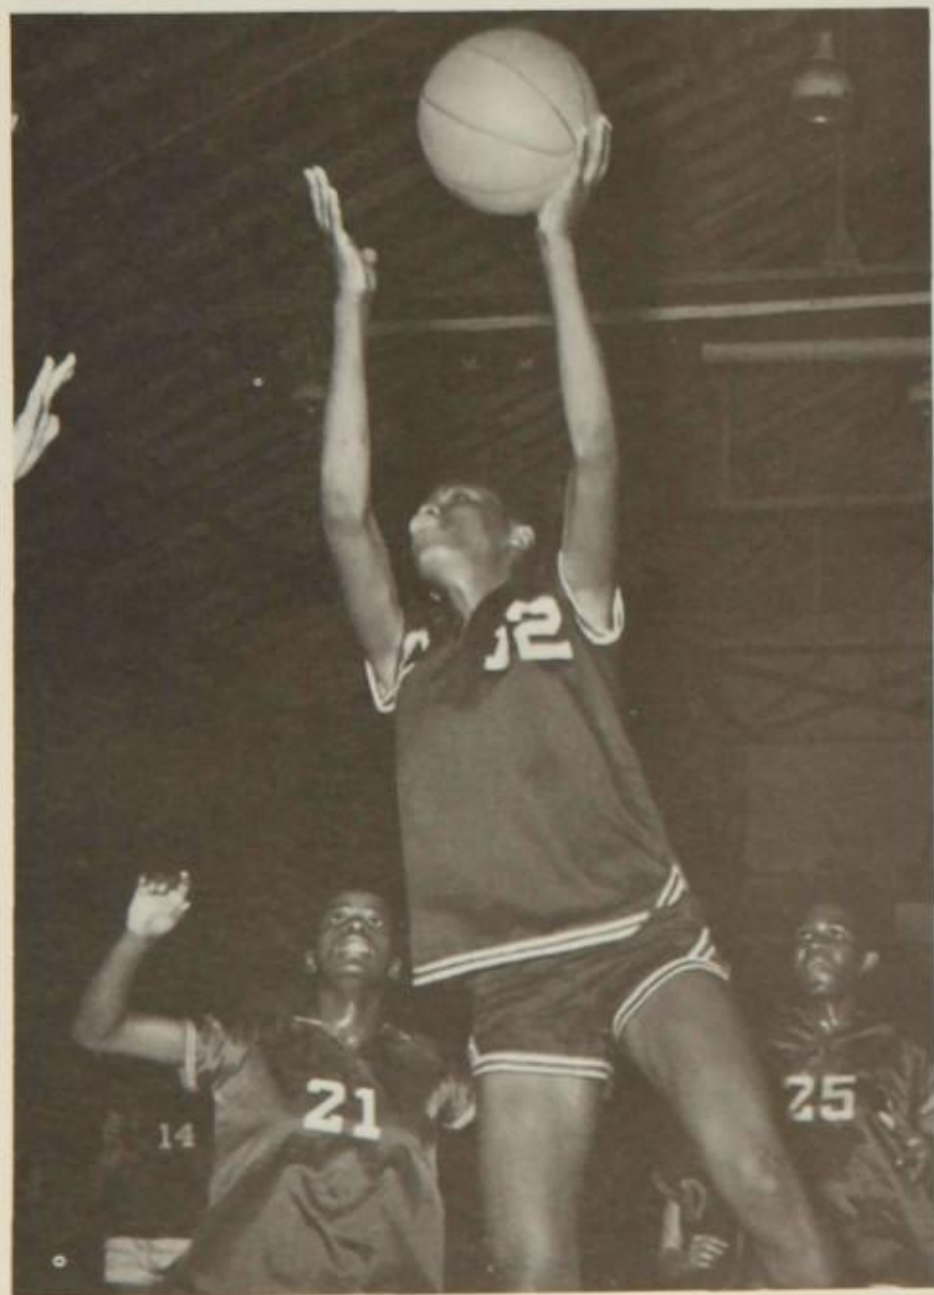

The Galcats were led to a 5-7 season record by Co-captains Mona Turner and Evelyn McBride. The Galcats faced a tough schedule and lost to conference leader Mullins by only one point but were victorious over a much-favored Camden team. The team's total points for the year added up to 637, with an average of 53 points per game. High scorer for the year was Delaine Hill with 227 points averaging 19 points per game. Jackie McLean was second with 135 points and an average of 11 points per game. Seniors in their last season included Delaine Hill, Mona Turner, Holly Moody, and Kathy Alderman. Rebounding strength of the Galcats was led by Senior Delaine Hill and Sophomores Jackie McLean and Evelyn McBride. Adding to the strength of the team were Junior Linda Vann and Sophomore Pat Gaddy. Providing refreshment and encouragement were managers Martha Quick, Beth Cruise, and Priscilla Blue. The Dillon Galcats combined the "thrill of victory" with the "agony of defeat" to create an exciting season of rugged girls' basketball action.

In the finals of the conference tournament, the Galcats lost a heartbreaker to West Florence, 42 to 41. Delaine Hill was named to the All-Conference and All-Tournament Teams and Jackie McLean was named to the All-Tournament Team.

## Coming out on . . .

the short end of the stick, Coach Skip Myers suffered his first unsuccessful JV basketball season in his three years at Dillon. Coach Myers' superb efforts helped the young and very inexperienced team, but the lack of basketball fundamentals requires a couple of years for the boys to develop. Players Dunham and Whittington led the team in scoring, and many of the boys should make outstanding competitors in the coming years.

Kneeling: Dunham, Gurley, P. Whittington, Smith, M. Whittington. Standing: McLean, Manager, Campbell, Clark, Myers, Coach; Williams, McRae, Carmichael, Manager.

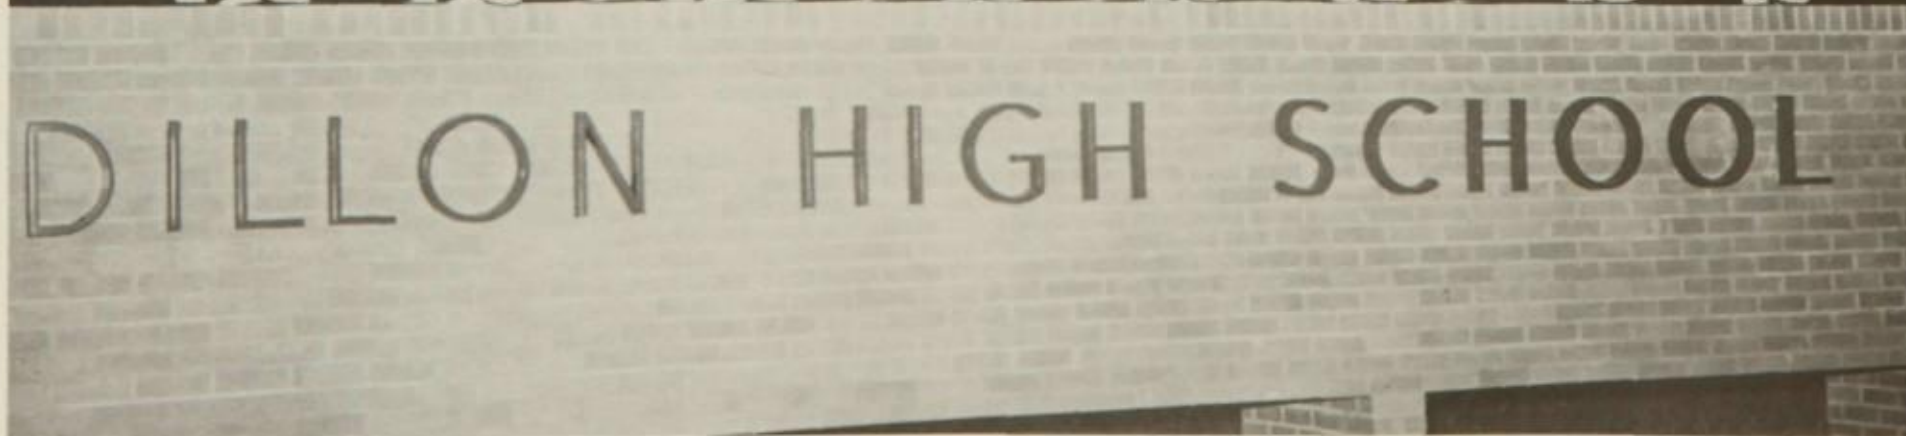

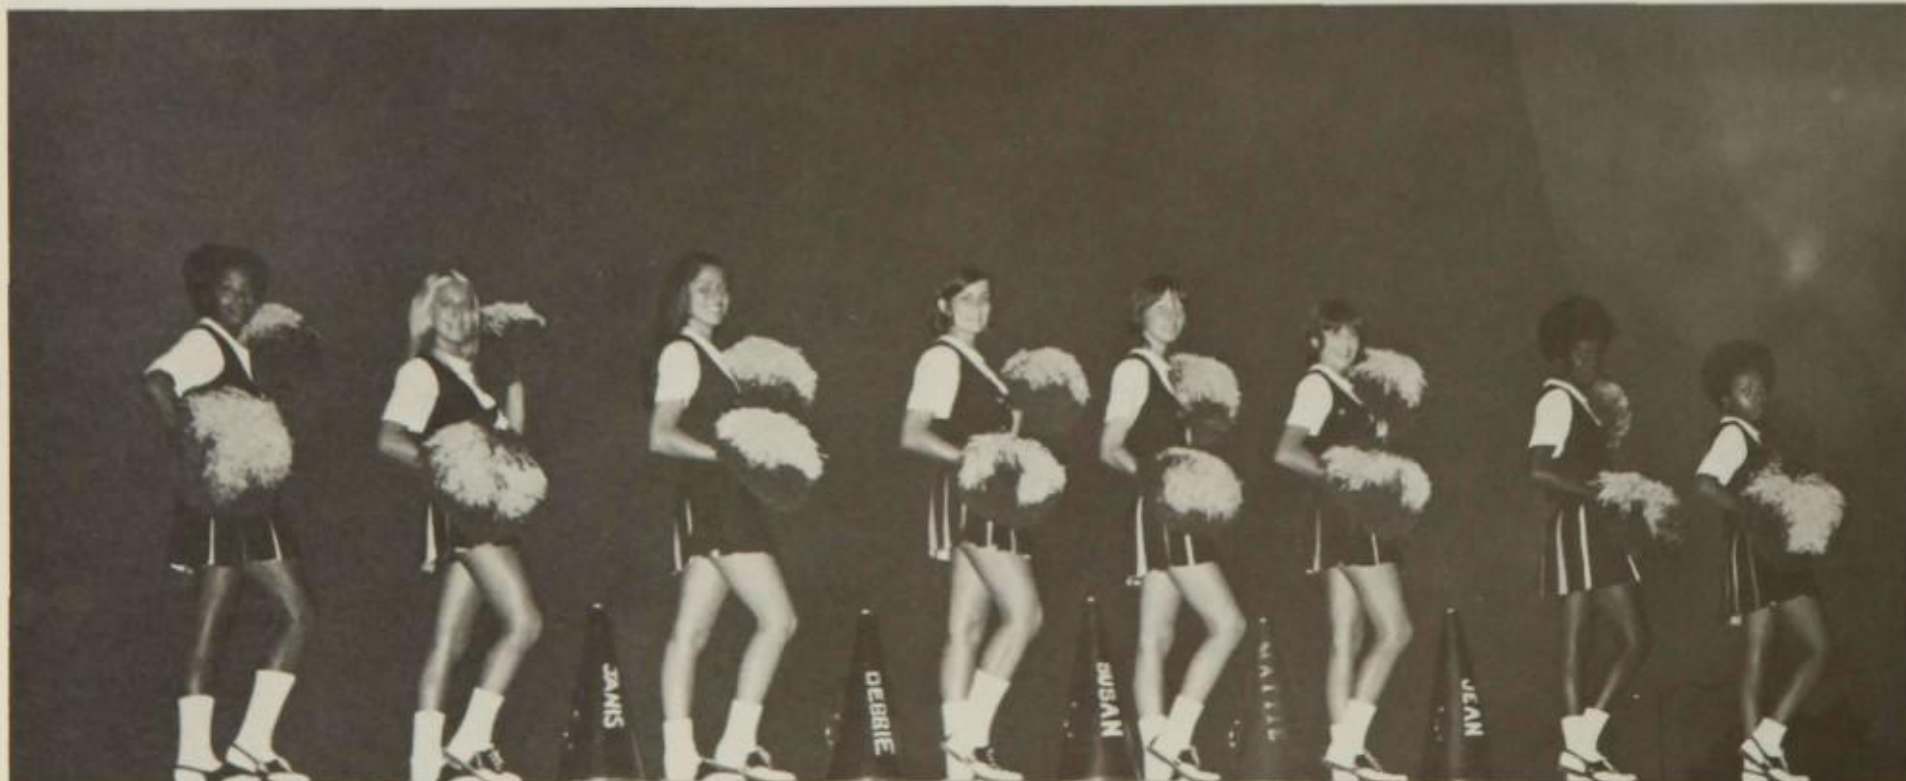

## What is it . . .

that keeps the ball rollin' without good ole team spirit at football games? Why, it's nothing other than our own varsity football Cheerleaders! Boosting spirits with peppy cheers and chants at football games, these girls show great enthusiasm.

They spent a great deal of time Thursday afternoons in the gymnasium painting the Wildcat banner. Under the direction of Captain Debbie Wallace, the cheerleaders sold ribbons and added spice with pep rallies throughout football season. The girls were given helpful hints and direction by their Adviser, Coach Nancy Morgan.

Glenn Evans also added spice and variety to the squad. He dressed as a Wildcat and played his part well.

McRae, Kornblut, Wallace, Hayes, Strickland, Breeden, Washington, Manning.

### **Staunchly supporting . . .**

the varsity basketball this year were the Varsity Cheerleaders. Led by Captain Debbie Hennesse, these seven girls helped promote spirit. The peppy group consisted of seven Juniors. The cheerleaders were under the direction of Mrs. Freitas.

McRae, Washington, Hennessee, Jones, Bethea.

### Practicing hard . . .

throughout the summer and cheering their teams on to victory during the fall, the Junior Varsity cheerleaders add spirit and vitality to life here at Dillon High School. The squad is made up of ten Sophomores who encourage the underclassmen to show good school spirit. These girls gain valuable experience as they look forward to the day they will be Varsity cheerleaders.

Kneeling: Grier, Pittman, Turiak, Whitmore, Huggins. Standing: Williamson, Sinclair, Owens, Lassiter, McClellan.

## Good defense . . .

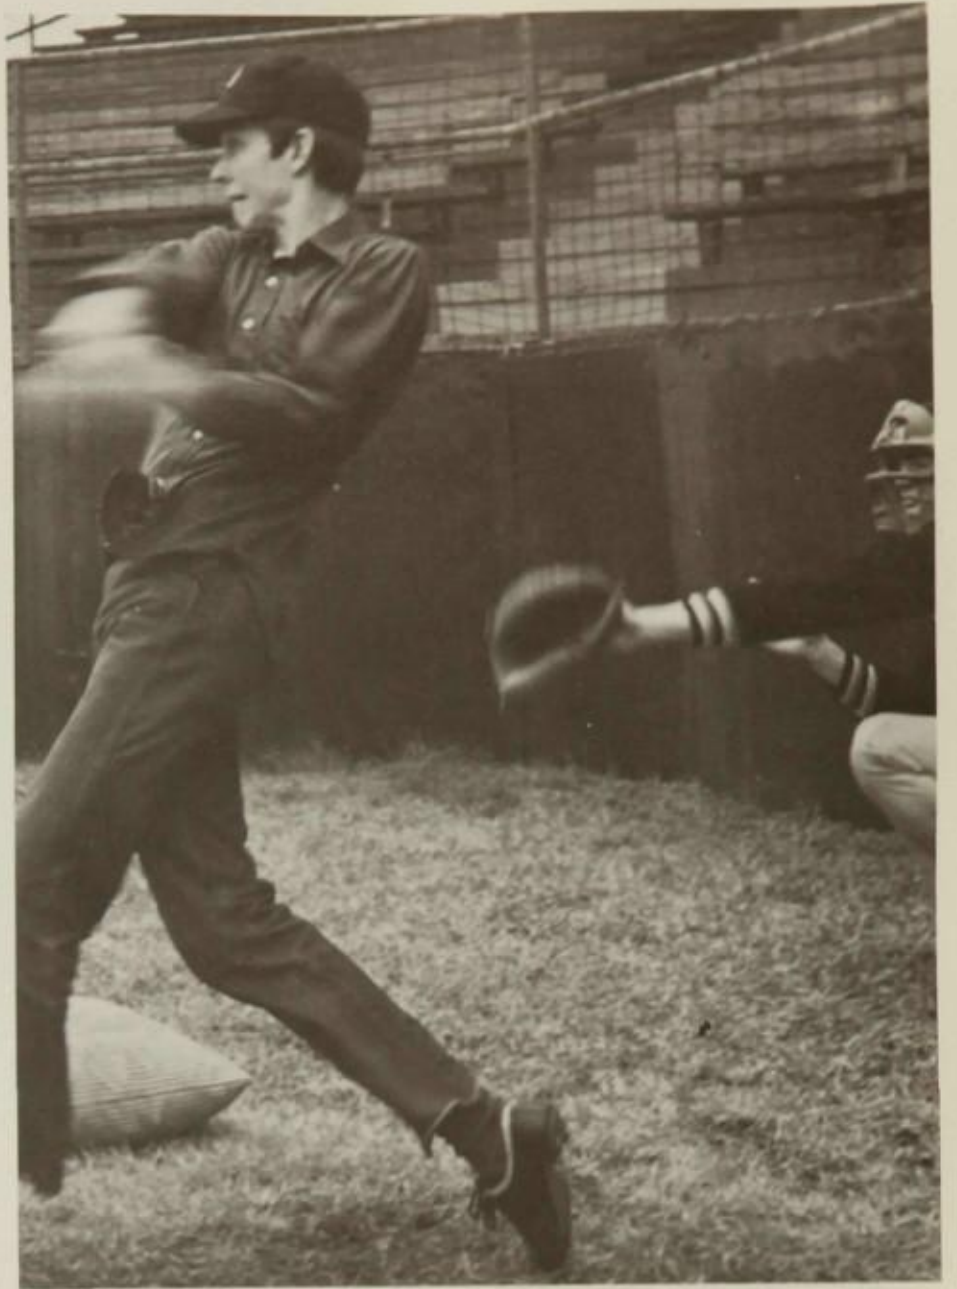

and sound base running will be necessary for the Wildcats to have a successful season this year. Guided by Coaches Bull Lee and Kenny Rogers, the Wildcats put in hard work this spring in preparation for the season.

Led by Seniors Donnie Smith, Royce Cottingham, Don Wilson, and Mickey Meekins, the Cats are hoping for one of their most successful baseball seasons.

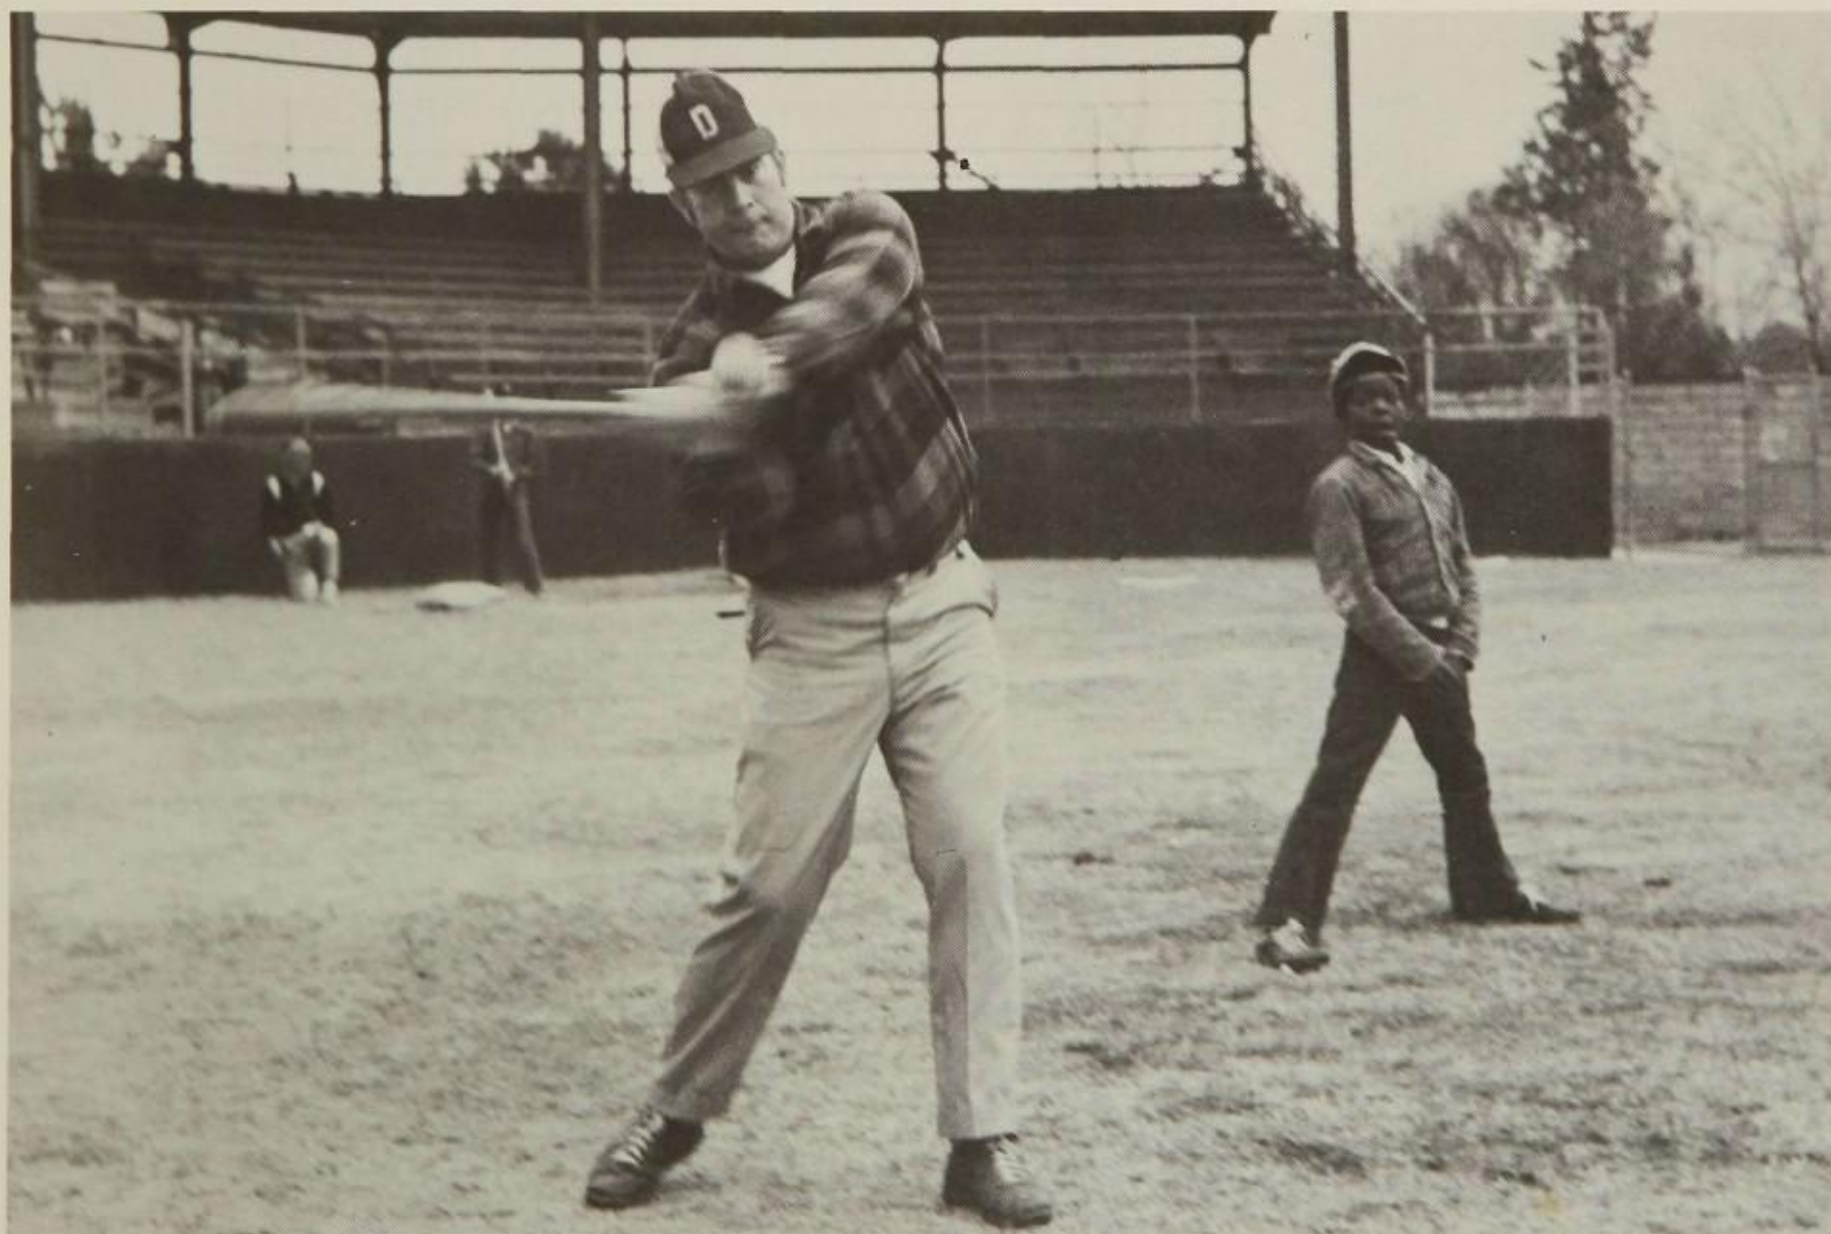

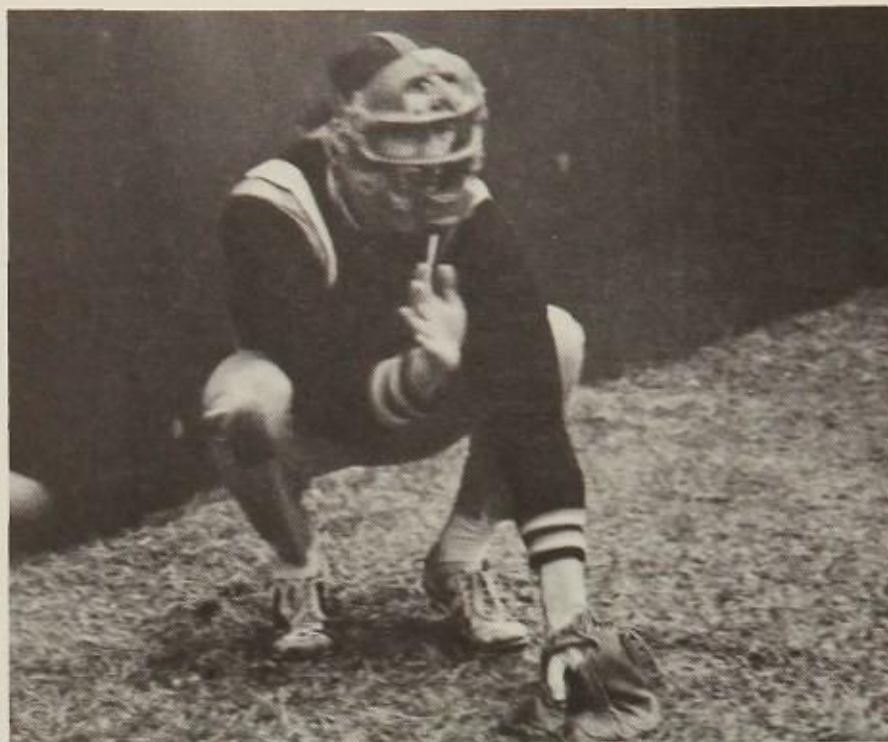

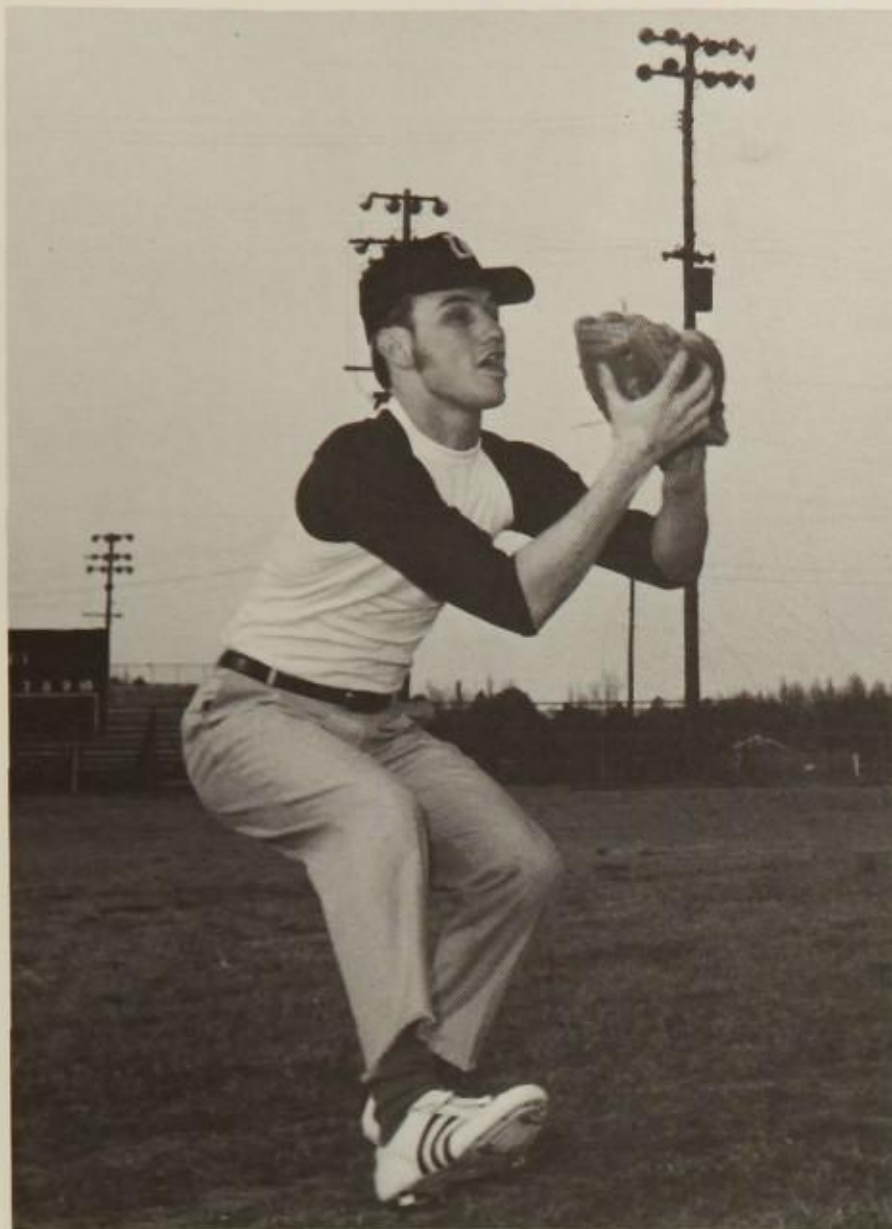

Kneeling: Russ, Cox, Jones, Venters, Grimsley, B. Stephens. Second Row: Watson, Evans, Phillips, Strickland, Saleeby, P. Stephens. Third Row: Meekins, Wilson, Smith, Cottingham, Lee.

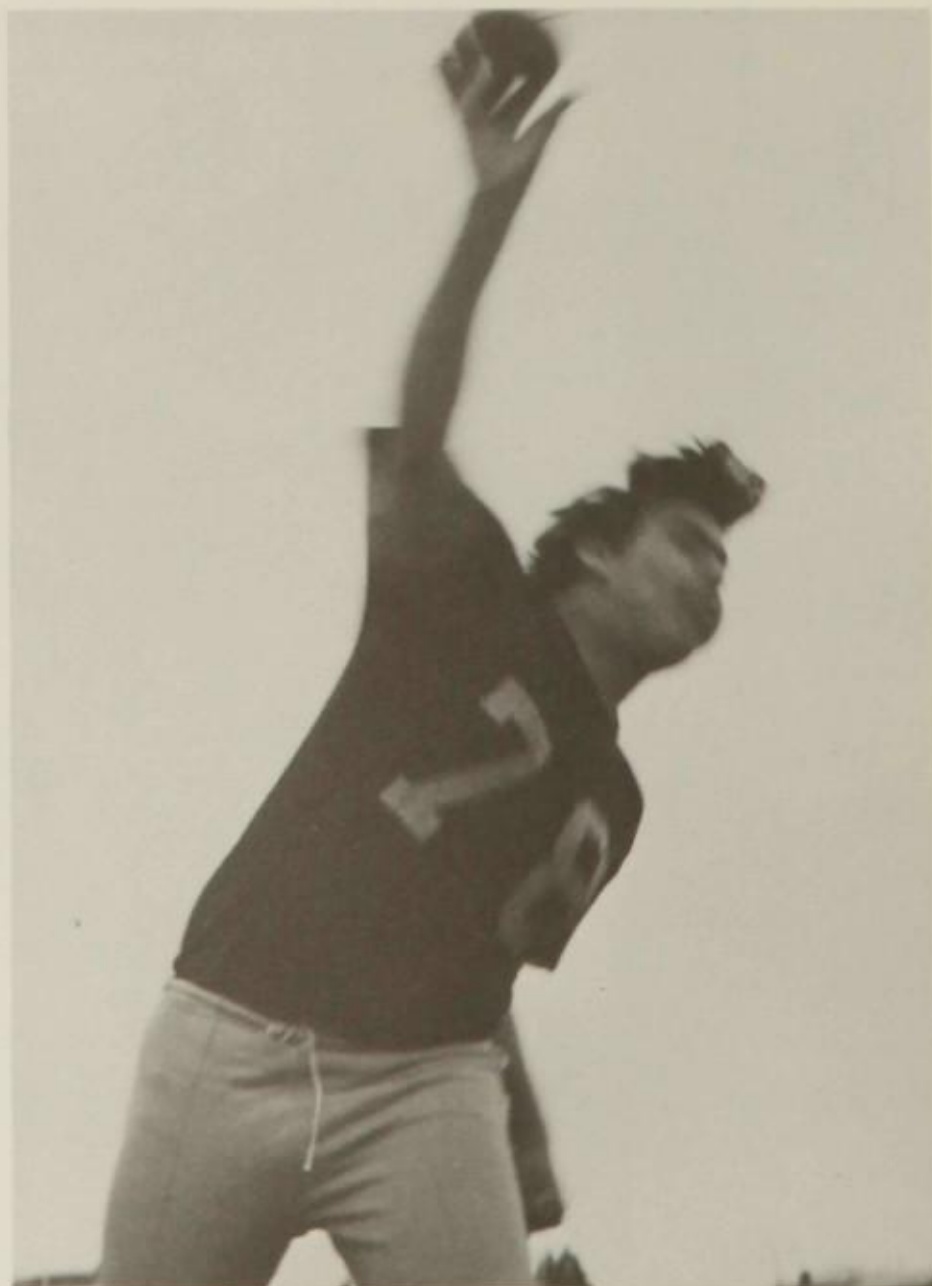

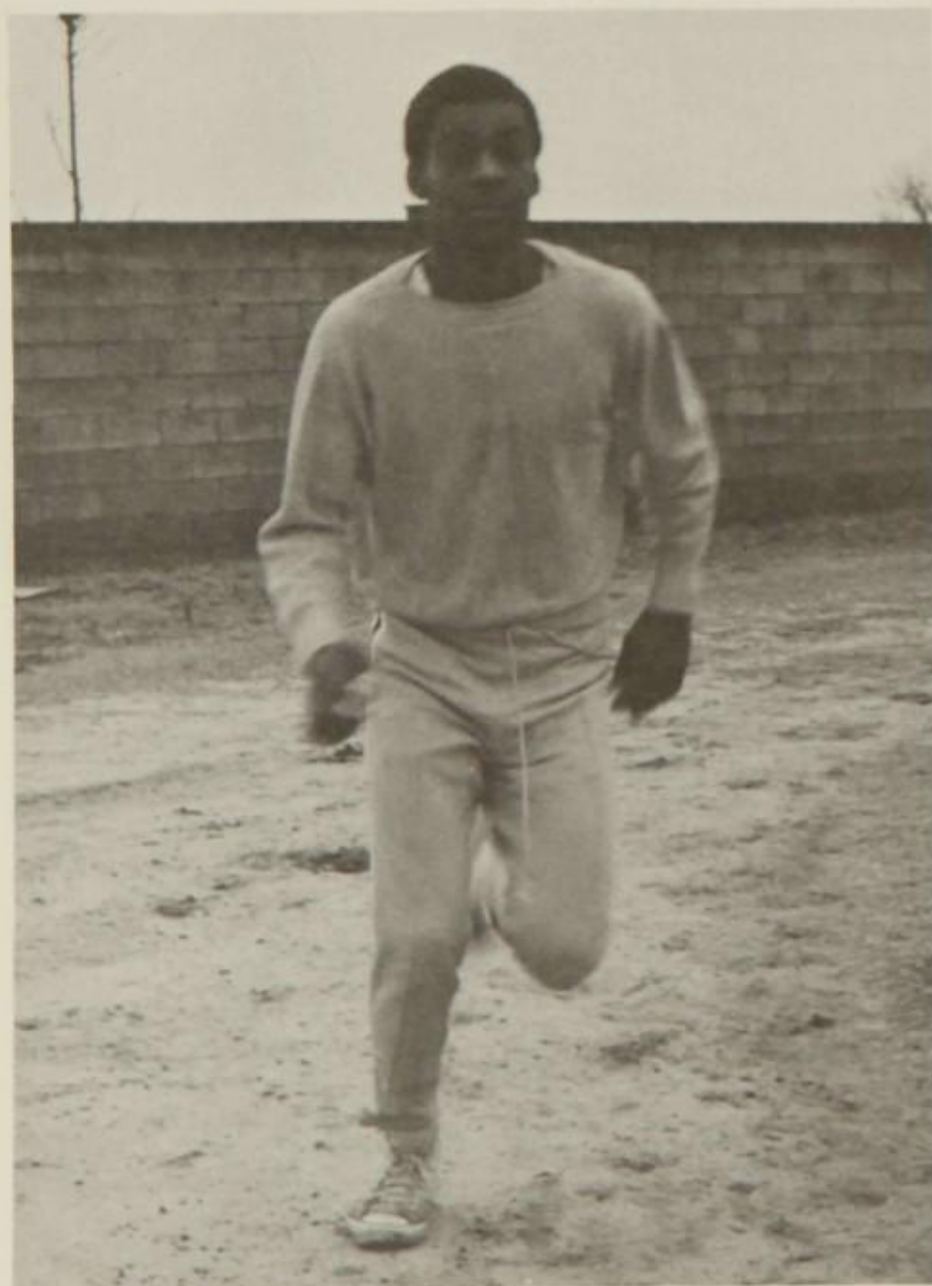

### **Determination, endurance . . .**

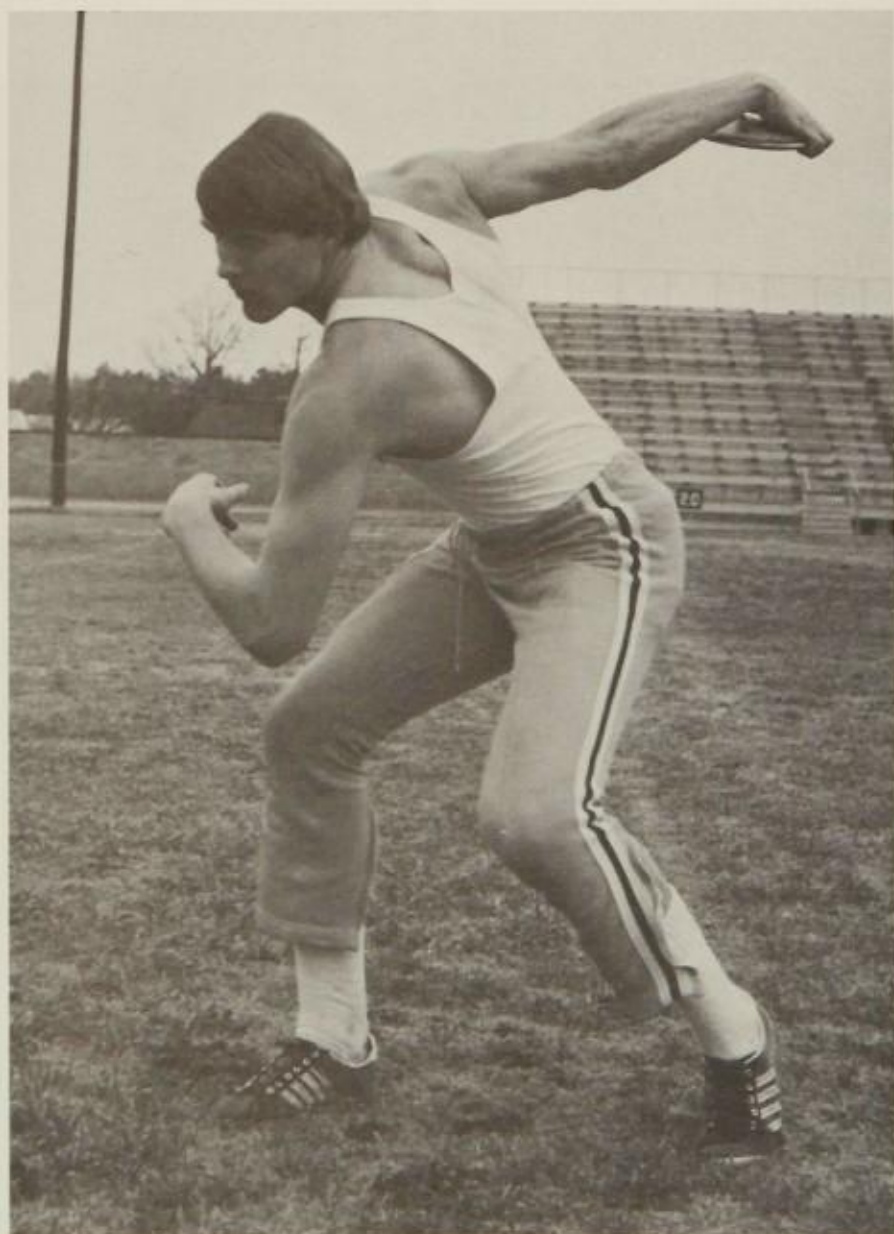

and a willingness to practice long and hard are the three main qualities a good track man must possess if he wishes to compete. Coached by Mr. Willy Daniels, the Dillon team is a team which is comprised of young men who display these characteristics. Senior Buddy Bethea, last year's recipient of the most valuable track runner award, leads the team in sprinting and pole vaulting while Tommy Wallace, Weldon Stewart, and David Jones add points in the other departments. About the only recognition these boys ever receive is the self pride they take in themselves when they know they have run a good race, but to them this is enough to keep them going.

Kneeling: Brown, Grant, Carter, Townsend, Lockemy. Second Row: Jackson, Rozier, Daniels, Bethea, Miller. Third Row: Daniels, Coach; Caulder, James, Jones, Stewart, Carr, Arnette.

Eddie,

I hate to start off signing an annual - "This has been a year". But what other words fits the occasion better. You know, I really didn't know much about you until you started messing with my little Jewish friend. Eddie I swear you + Janis are bound to kill each other before the year is out. I think its great you only have to move to Marion. That she does make it convenient doesn't it ??? If I know you as well as I think I do you'll probably keep the road between Columbia + Georgia hot!

Thanks a whole lot Eddie for stopping Sunday morning + getting me something to eat. I could have starved to death before you would have stopped. And Eddie, that blinker of yours is very fickle.

Thanks so much for taking me along with you'll that Sat. night to see Steve. I must admit I felt a little stupid. The 2 couples + me

Eddie, I guess I'd better close but I just want you to know how much I value your friendship! You're a great guy with a lot of potential. Stay sweet + keep "Kornblut" strong.

# DILLON HIGH SCHOOL

This year we have tried to present DHS as a whole. We hope the 1972 *Wildcat* will give you many happy memories by showing you both the good times and the bad times of the 1971-1972 school year.

This year has been a happy one for me, and it has been most enjoyable for me to work with the entire student body. Thanks to the many students who made the photography and production of the book easier.

Rick McCallum  
Editor

The *Wildcat* would like to express thanks to all those people who made this book possible —

students, parents, patrons, and businessmen.

Also to—

Mrs. Eunice Stephens, Adviser, who helped coordinate our efforts and offered her advice freely.

Holly Moody, Kathy Alderman, and Angela Byrd, who did a superb job with the typing duties.

Mr. and Mrs. Marvin McDaniel and Mrs. Dora Lee, of Carolina Studios, for their skill in printing and photography.

Mr. and Mrs. Dill Ellis, for use of their lovely home for our notable pictures.

Mr. Ron Norman and Keys Printing Corporation for offering technical advice and printing our year-book.

Eddie,  
No sorry, I'm  
be leaving Dillon, but it  
has been nice knowing you. Best  
luck in the future. I have a good time.  
at Carolina and don't work too much. Don't  
catch too many fish or hell too  
much.

Well, this school is  
about to get rid of a  
couple of real smart  
bellows, right? Oh well,  
I'm sure the teachers a  
have given the devil this year and  
I'm sure the high school won't ever  
have an good of material for a great  
self team or this year. I think we  
ought to take a cab for our terrific  
friend, named Paul Chapman. (Pittop) We  
had a lot of fun in the girls  
in Dillon, but can you imagine what is  
going to take place next year? Wow! Remember  
the night in the VW? Boy, that caused  
trouble for you. Don't play with too many  
wild animals this summer. (4 legged that is)  
See ya later.

Eddie,  
It has been  
fun this year. Pay  
I hope that someday  
you will realize  
the reason that nothing  
can go faster than light in vacuo  
186 282.42 mi/sec. Lots of luck in the  
future. I hope you have a good summer  
Livingston (Junior)
